BRIEFING: The start line is bi-directional. The finish jump is live at all times after you recieve the "go". It does **not** have a point value. It can be knocked without being faulted It is also bi-directional. All obstacles may be taken twice for points. Back to back are ok but must be done safely.

To qualify you must succesfuly complete 3 one point jumps 2 three point obstacles and one 5 point or "Joker" obstacle. Plus the additional points needed for your level.

You may go to the finish jump whenever you've completed your point accumulation. After the horn you have 5 full seconds for your dog to attempt the finish jump. It doesn't have a value so it can be knocked. You'll lose a point for each full second over time

1 point: single bar jumps
3 point: tunnels, panel jump
5 point Jokers: A-frame, teeter & double

Small dogs 35 seconds. Large dogs 30 seconds. 16" veterans jumping 12" get big dog time.

Level 1	19 points
Level 2	21 points
Level 3	23 points
Level 5, C	25 points

Specialists and enthusiasts need two less points

IN THE OPENING:
Everything is bi-directional. There are two combos. 4A/4B & 7A/7B. They can be done in any order. You need to complete all parts even if the dog knocks the bar. There are 4 reds but you can only do three. All of the colors can be done multiple times.

IN THE CLOSING:
Everything must be taken as numbered. Except number two is bi-directional
If you hear the horn, whistle or I say thank you, please proceed to the finish jump.

PLEASE NOTE: The finish jump becomes live at the completion of the opening. It does not have a point value so if its knocked it does not NQ you. It is bi-directional.

Points needed to qualifiy:

Level 1	26 points
Level 2	28 points
Level 3	30 points
Level 5C	32 points

Enthusiast/Specialist needs 2 fewer at each level.

TIMES:
4/8/12 = 50 seconds
16v/16/20/24 = 45 seconds
