BUDDY'S RUN

BARS ON THE GROUND

Name: **Trivia**

Age: **18.6**

Partner: **Patti Gagnon**

Trivia began her agility training at ten years old, after spending her entire life as a clinical therapy dog serving severely abused children. As a very gifted and intuitive provider, Trivia often found it difficult to strictly concentrate on running an agility course, as she was naturally drawn to the people working in and around the ring. Trivia very much loved the physical elements of the game, and was a very fast and confident learner. She taught herself how to do the dogwalk and teeter, and she never missed a contact! As a result of starting the sport at such an advanced age, Trivia's competition career ended with the team missing single legs to complete her P1, NA, NAC, OJC and CL-1 titles. Trivia's positive and thoughtful nature continues to this day, and she still enjoys walks, interacting with her dog family, and cuddling with her people.

Name: **Seamus**

Age: **14.5**

Partner: **Chris McQuillen**

Seamus loves the sport of agility and always approached agility as he does everything in life, with zest and passion. During his career Seamus especially enjoyed competing on DAM teams with his friends. He won a DAM team tournament with teammates Steve Medved and Seamus' daddy Jack, and Carla (Medved) Dunbar and Gemma. His teams also placed in the top 3 at numerous DAM tournaments throughout the country. Seamus is famous for his weave poles, and held the 60 Weave Pole Record multiple times. His registered name is Rastamac's Positive Vibration and he has always lived up to that name. Today, at the age of 14.5, he still greets every minute of each day with pure joy and boundless energy. He is a huge sports fan and loves to watch golf on TV. Seamus has been a valuable teacher, a wonderful companion, and truly a positive vibration in my life.

JUMPING 4"

Name: **Splash**

Age: **14.5**

Partner: **Jan Johnson**

MACH Leeshore JMark's What a Splash UDX, SH – At 14.5 life has slowed, but a short swim for a bumper, running through tunnels, and opening treat bags makes for a wonderful day.

Name: **Mocha**

Age: **12**

Partner: **Haley Laken**

Mocha is Haley's first agility dog. He has a P1 Jumpers title in USDAA, and several CPE titles.

Name: **Page**

Age: **14ish**

Partner: **Cindy & Delaney Ratner**

Page retired last year from agility with her APD, some metallic titles, and some AKC titles. She has not retired from being #1 puppy raiser, and best girlie in the house. We are so happy to celebrate Page's one year retirement, so grateful she is still with us, and happy to come, wanting to run, but mostly she's here for the party! We love you Page!

Name: **Fringe**

Age: **14**

Partner: **Jean Freeman**

Hob Nob Finishing Touch "Fringe" has taught me so much and has been so patient while I was learning difficult moves with her after my knee surgery. She is such a special little girl. She is my shadow at home, and is never happier than when she is working or doing something with me, but is also so easy to live with as long as she has a couch. However, she is the first one up and ready to go when I am. The first 3-4 years of her life she was very concerned about the pain I was in from my knees and she could not concentrate on agility and leaving my side. However after my surgery she blossomed. She quickly earned her agility titles and even went on to herding and obedience. Fringe earned her Utility title in obedience at the age of 12. I could not ask for more from "MY LITTLE GIRL!" Thank you Fringe so much for all the love you have given me!!!

Name: **Sadie**

Age: **14.4**

Partner: **Claudette Beaulieu**

Sadie is my heart dog. The first time I saw her, I knew she was the puppy I'd been searching for. But I'd never competed before, and her breeder was reluctant to let such a promising puppy go to a novice home. Finally I was able to take her home, and together we learned obedience. What a sweet, smart, willing and talented dog. In 2000 she won an obedience trophy at our National, and then she earned her CDX. An obedience judge told me she was my once-in-a-lifetime dog. Then the agility bug bit! She earned her AX and AXJ. Moving to preferred, she earned her AXP at 11 and her MJJ at 12. She is a 3-time cancer survivor, and September marks the two year anniversary of her surgery to remove a brain tumor. She is the best companion I could ever ask for. What a good girl!

Name: **Riley**

Age: **12.5**

Partner: **Kathy Fardy**

I met Riley at a Flyball tournament when she was 5 months of age. I could not stop looking at her during that tourney. I finally asked about her and I was told she was looking for a home. I went home thinking that I really needed to stick with my plan of getting a younger puppy. Within a week I was taking her home. Riley has given me so much. She is my second agility dog. She has earned her Performance ADCH and numerous championship games titles. She has been more than an agility dog. She has been my lifelong dog companion. She went on to get her CGC and Therapy Dog certifications. She's done countless therapy visits. She is an assistant in my dog training business and is a mother to the other 5 dogs in her pack.

JUMPING 8"

Name: **Ming**

Age: **12**

Partner: **Teri Olsen**

Ming is Pierre Lorrain and Teri Olsen's first dog. She is a rescue from the Lowell Humane Society, adopted in June 1999. Ming was a dog who bolted when startled. Because of that, we lost her 4 times, twice overnight. We always found her, so we call her our "Miracle Ming". In 2000 Teri and Ming took beginner agility classes at ARFF. After a year of agility training, Ming looked to Teri when startled, instead of bolting. It was the best thing agility gave us. We were bitten by the agility bug and for 8 years trialed, often in multiple venues. Ming loves the ARFF field, practicing, training and competing. The only thing she doesn't love is the teeter. We also call her our Snooker Queen for her reliability in that game. Ming competed in the highest levels of USDAA, AKC, CPE and NADAC.

Name: **Carly**

Age: **12**

Partner: **Karen Lee**

Happy Birthday to Carly the wild thing who turns 12 years old on September 5!!! Carly's agility career began 11 years ago. Carly is the love of Karen's life, Karen's first agility dog, and her best friend! Carly is the reason that Karen discovered agility 11 ½ years ago. Carly desperately needed a job, and thankfully, Karen watched a dog agility show on TV and got to work. As Karen's first agility dog, Karen had NO CLUE how to train her high-drive BC, so Carly didn't have proper foundation training. Her contacts and weave entries were never consistent, so their Q ratio was never great, but Karen and Carly had a lot of fun in agility anyway, and adopted the slogan, "Rarely Clean, Always Fast!" Carly still loves agility more than anything in the world, but her career was cut short by arthritis. She appreciates the opportunity to show off once again. Thanks ARFF! Carly the Wild Thing forever

Name: **Romi**

Age: **8**

Partner: **Grace LaRocque**

In November of 2008, at what I thought should have been the height of Romi's agility career, he was diagnosed with a brain tumor. We were about half way towards his MACH2 and a couple more Q's from his Performance ADCH, so it broke my heart to retire him. Almost two years later Romi is doing really well. He just turned eight, and we are happy for every day we get to have with him.

JUMPING 12"

Name: **Ellie**

Age: **10**

Partner: **Cindy Gustafson**

Legacy's Lyrical Song V. Sky – Ellie is a Momentum X Ramahill breeding. I obtained her when she was turning four years old. In just over 18 months we earned our AKC agility titles NA, NAJ, OA, OAJ. She also has her CGC, TDI, passed herding instinct test, and recently at 9 years 11 months old earned a USDAA P1 title. She had never done any agility until I got her, but she quickly caught on as she comes from a strong line of working Giants with European heritage. She turned 10 in June this year, and is showing no signs of slowing down – still very healthy, sound, and enjoys life with great joy! Ellie is very confident and quite smart. I describe her as "My Life" or my heart 'n soul, as she is the best thing to ever come into my life.

Name: **Terra**

Age: **11**

Partner: **Erica Nicholson**

Terra was my first performance dog. She has been a constant companion and ray of joy in our house. She has always done everything I've asked, and always with a smile. Terra introduced me to this wonderful sport and to so many wonderful friends. She is the sweetest dog that I have ever known. I feel privileged to have been part of her life, and I cannot thank her enough for being part of my life. I love you, my furry friend!
