### TENTATIVE EVENT SCHEDULE (subject to change)

**Friday** Check-in and measuring - 6:45am to 7:15am. Judges briefing - 7:15am. Judging begins - 7:30am

**Saturday** Check-in and measuring - 6:45am to 7:15am. Judges briefing - 7:15am. Judging begins - 7:30am

**Sunday** Check-in and measuring - 6:45am to 7:15am. Judges briefing - 7:15am. Judging begins - 7:30am

- ALL competitors must check in their first day of competition. All dogs must be measured prior to being checked in unless the dogs jumps 26" (22" P), the handler presents a permanent card, temporary card with 3 signatures awaiting a CMJ or check-in letter issued by USDAA/print out of dog info page from subscriber account indicating the dog is permanently carded. Dogs required to jump a higher height by virtue of measurement at this event will be placed first in the running order. Should the dog be unprepared for the higher height, it may run For Exhibition Only at the lower height, but no awards or qualifying scores may be earned and no change in program is permitted at check in.
- The handler of a dog entered in Team/PVP that measures up must notify the secretary at check-in. Should the change in height make the dog ineligible for that team, the secretary will make every effort to form complete teams from available dogs. The dog measured up must jump the higher height in order to qualify. If the dog runs FEO at the lower height, the team/pair may not qualify, but the partners can earn placements, top ten points and LAA Qs in the individual classes.

Catalogs and Workers schedules will be available prior to the trial at [www.k9agilityservices.com](http://www.k9agilityservices.com)
