This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at [www.usdaa.com](http://www.usdaa.com).

### Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

### NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

### Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

### Read your Confirmations

Please read your Confirmation Letters. ANY corrections made after the **Secondary** closing date will incur a \$25.00 fee, payable in cash to the Trial Secretary prior to the running of your dog(s)

### CATS Refund Policy

Please note: Overpayments of entry fees are not refundable. Please check your math. Underpayments do not constitute a valid entry. Please check your math.

A dog or handler who suffers an injury and/or illness, or bitches that come into season after the closing date MAY be eligible for a refund of up to 50% of the total entry fee paid for that dog. Requests for said refunds must be received in writing by the Test Secretary by Monday, June 3 at Noon and must be accompanied by a dated, signed letter from the veterinarian or doctor on the veterinarian's or doctor's letterhead, with a brief description explaining the reason the dog, or the handler, cannot compete. Emails cannot be accepted for refunds.

### Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

### Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

### Masters Challenge Classes - Championship & Performance

EFFECTIVE FOR SHOWS CLOSING AFTER JANUARY 1, 2013

All dogs - regardless of level of competition - are eligible for entry in the Masters Challenge classes and to earn qualifying scores. These qualifying scores will remain on the dog's record and calculate toward Masters Challenge titles once the dog achieves the Masters Standard / Masters Performance Standard and Masters Jumpers / Masters Performance Jumpers titles.

Additionally, these dogs continue to be eligible for their appropriate level in the regular classes at all levels, unless stipulated otherwise in the Agility Test Schedule. Competitive placements in the Masters Challenge Standard and Jumpers classes accumulate points for annual ranking for Agility Top Ten<sup>SM</sup> and Performance Top Ten<sup>SM</sup>.

### Masters Challenge Qualification for 2013 Handlers Challenge Biathlon

At both local and regional events, a qualifying score in the Masters Challenge Standard or Jumpers (Performance included) will make a dog eligible for entry in the 2013 Cynosport World Games Handlers Challenge Biathlon being offered for Championship and Performance. So that any dog may compete in this special Cynosport tournament, the Masters Challenge class rules have been modified to allow a dog at any level of competition to enter. Further details can be found at [www.usdaa.com](http://www.usdaa.com).

### Knockout

**Knockout:** This class is offered to all competitors, regardless of level. The class will be run on 2 identical courses, side by side, with dogs competing head-to-head. Scoring will be "time plus faults". The dog that wins each round goes on to compete until a winner is determined. It's great fun! Will YOUR dog be the winner??!!

...

## Check-in & Measuring

### Dog Measurements & Certification

All dogs not jumping 26" in the Championship Program or 22" in the Performance Program must be measured unless they have a permanent USDAA or World Cynosport Dog Registration card or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). When not enrolling electronically, please send a copy of one of the following items to facilitate the check-in process:

- photocopy of permanent dog registration card,
- printout of the dog-information page from your USDAA® competitor web account, or
- copy of your check-in letter from USDAA indicating your temporary card has been accepted by the USDAA office and your permanent registration card is in process.

### A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may opt to run the dog in the lower jump height class "For Exhibition Only", and no awards or qualifying scores may be earned. The competitor may not change their entry from one program to another (e.g., from Championship to Performance).

Cover the motel's bedding with a sheet, whether or not you think your dog will get on the bed.

Make every effort to have your dog free of fleas BEFORE arriving.

Of course, as is standard agility procedure, the dog's handler/owner will pick up all poop. Please bag and dispose of it properly. Don't leave your dog(s) unattended. Junior handlers (those 18 years of age and younger) and their dogs must be separately registered for participation in the USDAA's Junior Handler Program (UJHP). A registration number with a "J" prefix will be assigned for use in entering UJHP events. A dog competing in both programs (regular classes and UJHP) must be registered separately for each program, for which the total fee is \$50.00. *Register online at [www.usdaa.com](http://www.usdaa.com) and save more than 10%.*
