WALK THROUGHS: All you need to know ☺

There will be 3 rings running simultaneously all weekend. 2 of the rings will be Masters/P/III/V and will walk and run as explained below. The third will be all the Starters/P/Advanced/P/II classes. If you have a dog in all Masters/P/III/Vets you will have NO conflicts. If you have a dog in multiple levels there is plenty of room to move in the running order (except for Masters/P/III Snooker) in Masters/P/III/Vets rings. You can even run with a different group if necessary. We will be as accommodating as we can. Please try to run in Starters/P/Advanced/P/II ring when scheduled.

Masters/P/III/Vets competitors will be divided into 3 groups: A, B, C. ALL groups will walk both concurrent courses before those classes run. Groups will walk in the same order they will run. Walk-thrus will be 7 minutes long and music will play during this time. When the music stops you must exit the ring and everyone will have 1 minute to get to your next walk thru. The music will then start again and you may begin walking your next course.

NO ONE will be allowed to walk in ANY ring during this ring change time. Everyone's cooperation in this will assure an equal opportunity for all competitors and the most efficient use of time.

At the conclusion of all group walk-thrus there will be 3 minutes to put workers in place and 1st dog on line. The next group will not start until both rings have finished. After all groups have finished running, the next classes will be built and the same procedure will be followed.

CLASS RUNNING ORDER

The jump height order will be varied all weekend within each class so be sure and pay attention to this when you check in at the gate.
