## Check-in & Measuring

### Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age may be officially measured.

### A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

## Self Check In

**Self Check In** will be available for competitors who have submitted a copy of their dogs "Plastic Permanent Height Card". Please see note above for eligibility.

## Class Descriptions

### Titling Class Rules & Descriptions

One or more titling classes may be held at this Event as described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from [www.usdaa.com/regulations/usdaa-rules-and-regulations.cfm](http://www.usdaa.com/regulations/usdaa-rules-and-regulations.cfm). When held, these regulations and any amendments there to are hereby incorporated by reference.

### Tournament Class Rules & Descriptions

One or more tournament classes for the current tournament season may be held at this event. The description for all tournaments may be downloaded on the Internet at <http://www.usdaa.com>. Due to COVID-19, the 2020 tournament series championship event has been canceled. Qualifications earned after September 8, 2020, will count toward eligibility in the 2021 tournament series subject to rules set for the 2021 season. Tournament rules are now under review and will be considering the impact of an abbreviated qualifying period due to COVID-19 cancellations in the remainder of 2020 and early 2021. Final regulations will be published later in 2020 once various factors can be determined. In addition, qualifications in tournament classes shall continue to count towards versatility titles and Lifetime Achievement Awards.

### Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. A dog entered in a Veterans class on a day may not be entered in that class in the Championship or Performance Programs. Complete program rules can be found at [USDAA Rules & Regulations](#) including amendments.

### Masters Challenge Biathlon - Concurrent Titling Scores

The Masters Challenge (MC) & Performance Masters Challenge (PMC) Biathlon tournaments each consists of two classes; Standard and Jumpers. In addition to the combined score of these two classes being scored for tournament qualification purposes, each class will be scored independently in order to determine if title qualification has been earned for the MC and PMC standard and jumpers classes.

See complete biathlon tournament rules and title qualification rules at [USDAA Rules & Regulations](#) and [Tournament Rules](#)

### Combined Relay Titling Class Offered at this Event

Relay classes at this event will be held as on a "Combined" basis for each program. Pursuant to USDAA's amendments taking effect April 2, 2020, a Group may offer a Pairs Relay class for titling class on a Combined basis, which is to be run on an Advanced level course and scored under Advanced level rules. The Qualification is valid for any level title. This is in lieu of separating the Relay class by levels, as previously required within a program and is in keeping with the purpose of the Relay class in promoting camaraderie in working a course with a partner.

To enter the Relay class, simply complete the form marking the appropriate Program and Level of the dog, listing a partner of choice, or by indicating on the entry form that the entry will be a "Draw" partner. All pairs entries without a partner listed shall be accepted as "Draw" entries. All pairs within a Program will compete for overall awards on a combined basis.

### 2021 Tournament Regulation Highlights

A competitor is eligible to enter Cynosport 2021 by earning a qualifying score in any tournament at a local qualifying event\* or regional championship during the 2021 tournament season qualifying period September 8, 2020 – September 7, 2021. Qualification in a single tournament makes a competitor eligible for all tournaments at Cynosport® 2021.

- Competitors may earn "Byes" during the current Qualifying Period for advancement into the Cynosport® 2021 semifinals (i.e., bypassing the quarterfinals) of the Grand Prix of Dog Agility® or Dog Agility Steeplechase® tournaments (championship and performance) as follows:
- Competitors in the Grand Prix of Dog Agility® who—
  - earn two qualifications at a Regional Championship (i.e., qualification in both the Semifinal and Final rounds of that event), and
  - place in the top 50% of competitors in each jump height competing in the Final round or place 1st through 3rd in the Regional Final round
- Competitors in the Dog Agility Steeplechase® who—
  - earn two qualifications at a Regional Championship (i.e., qualification in both the Semifinal and Final rounds of that event), and
  - place within the top 15% of competitors in each jump height in the Final round or place 1st – 3rd in the Regional Final round
- Competitors who earn two first-place qualifications in either the Grand Prix of Dog Agility® or Dog Agility Steeplechase® at local qualifying events\* and/or regional championship events during the current season Qualifying Period (vouchers are no longer required or distributed)
- Competitors who earned Byes at Regional Championships in the tournament during the Qualifying Period for the 2020 tournament qualifying season

\*Qualifications in tournaments offered through USDAA@Home!SM events are for title qualification only and do not satisfy eligibility requirements for entry to Cynosport® 2021.

#### Regional Championships

A competitor may compete at a 2021 Regional Championships in the continental U.S. without previous qualification.

Competitors not qualifying in the semifinal round of either the Grand Prix or Steeplechase at a Regional Championship may run the Regional finals course for an opportunity to earn a local qualification for eligibility to enter Cynosport 2021.

A new unified competitive division structure is being phased in that provides for current jump heights from the Championship and Performance Programs to be recognized during the 2021 tournament season. As part of the transition during 2021, the following *rule changes are effective January 1, 2021*:

- The maximum withers height measurement in the Performance Program for dogs jumping 12" is raised from 16" to 17" to conform the withers height cutoff between programs.
- The maximum withers height measurement in the Championship Program for dogs measuring  $\leq 12$ " is increased to 13"; a 12" jump height is added to the Championship Program for dogs measuring over 12" not more than 13" in height at the withers. Dogs measuring 12" or less remain eligible for the 10" jump height. Awards for the 10" and 12" height classes may be combined at group's discretion.

For Cynosport® 2021, a competitor is eligible to enter any eligible division for tournaments without regard to the height class and program in which qualification has been earned in local qualifying or regional championship events.

## **Entries & Acceptance**

### **General Rule on Eligibility**

This event is sanctioned by the United States Dog Agility Association, Inc. ("USDAA").

This test is open to all persons with dogs being at least 18 months of age (14 months of age pursuant to Chapter 10 for Intro Program when offered OR for Sanctioned Match), regardless of pedigree or absence thereof, who have a current registration with USDAA and whose owners and the dog's handler are currently in good standing with USDAA.

This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at [USDAA Rules & Regulations](#), as amended.

### **Policy on Refusal of Entry**

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

### **NSF Check/Credit Card**

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

### **Refund Policy**

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

### **Spam Blocker**

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

### **Submission of Entries with Secondary Move-Up Date**

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

### **Mixed-Height Pairs Entry Allowed**

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

### **Next-Day Move-Ups Allowed At This Event**

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

## General Entry Conditions

### Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

### Statement of Responsibility

Competitors alone are responsible for the behavior of themselves, their dogs, children, and guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

### Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

### Fix & Continue Will Be Allowed At This Event

The USDAA Policy Statement on Training in the Ring or "Fix & Continue" has been adopted for this event and is hereby incorporated in its entirety by reference. Competitors are expected to familiarize themselves with this policy, which can be found on the USDAA web site at [Official USDAA Policy Statements](#)

Fix & Continue during a competition run generally provides for repeat of an obstacle at handler's discretion under conditions set forth in the Policy Statement. When discretion is exercised to utilize the Fix & Continue, their score will be recorded as an elimination and the maximum course time set to 60 seconds. This practice may be utilized only once in any Standard, Jumpers, or Relay class (including similarly-styled tournament classes at qualifying events). The competitor must continue working the course in flow, while "fixing" and "continuing" on the course. See the Policy Statement referenced above for complete details.

### Mulligan Runs

Based upon the number of runs per day at this trial Mulligan Runs may be available for one or more classes each day. The Show Committee shall determine in which class(es) a Mulligan Run will be allowed. Availability and cost for each run shall be announced in final confirmations. Only competitors entered in the class are eligible for a Mulligan Run per USDAA policy which is hereby incorporated by reference.

A competitor must sign up and pay for their Mulligan Run immediately following their titling run (if they didn't sign up/pay for a Mulligan Run prior) and prior to the completion of the class. A Mulligan Run sign-up sheet will be made available. When Mulligans are running concurrently with another ring at an event, only silent toys are allowed and may not be tossed. Food, treats, training aids are not allowed.

### Running a Class "For Exhibition Only" (FEO) at Local Events

A competitor may enter a class at a local event (events other than regional, national and international championship or special events) and declare on the day of the event that they are going to run "For Exhibition Only" (FEO). Declaring "For Exhibition Only" requires that-

- the Gate Steward, or the Competitor in the absence of a gate steward, clearly mark "FEO" by the competitor's entry number on the posted running order
- the Competitor vocally declares to the Judge and Scribe, "FEO", when advancing to the start line
- the Scribe clearly marks "FEO" on the scribe sheet
- the Scorekeeper records the round as "Withdrawn", denoting the round as a noncompeting round in the official results and shall be ineligible for awards

Additionally,

- non-audible toys are allowed but must be used in a manner that does not distract other dogs running in adjacent rings
- the dog shall be run at the height at which it was entered.
- the maximum time on course allowable is the Standard Course Time (SCT); however, the judge, in their sole discretion, may dismiss a competitor from the ring for any behaviors that are deemed unsafe or harsh, or that do not present the sport in a positive way.

### Social Distancing & COVID-19 Safety Measures

We are pleased to offer an opportunity for competitors and others to get out and enjoy events with their dogs. So that we do not risk any setbacks that may impact future events, please join us in following safe practices recommended by the U.S. Center for Disease Control and other State and local health agencies:

- Maintain social distancing (of both you and your dog) from others to the extent possible;
- Wear a mask in confined spaces where social distancing is not possible (e.g., briefings, walk-throughs, walk-ways, restrooms, parking lots, and vending areas)
- Be aware of items that you touch that may have been touched by others (e.g., wear gloves if you are touching things that are touched by others)
- Avoid touching your face
- Wash your hands often with soap and water and/or use hand sanitizers (gels, wipes, etc.); please bring your own to assure availability
- Bring your own food and refreshments, if allowed

This is not a complete list. Please visit the Center for Disease Control website or other State and local health agencies for guidance, as measures may vary by geographic region.

To contribute to this effort, please bring your own sanitizers, gloves, masks, food, and beverage to assure availability. Please be accepting of changes from past practices as we seek new ways keep everyone safe as possible. We are doing our best to address specific measures that we could put in place to promote safety during this event, including, but not limited to change in ring operation procedures, prepping volunteers, judges, and staff in safe practices.

While we hope that the environment for public gatherings continues to improve, BE AWARE that safety measures could change and additional measures imposed at any time. **Watch your entry confirmation prior to arrival at the event, as we cannot be responsible due to changes beyond our control in this fluid situation.**

**By all means**, if you have been exposed to anyone that may have been exposed or infected with a virus or flu within two weeks prior to the event, or if you are feeling ill, please self-isolate and stay home, knowing that we will happily welcome you at a future trial.

Additional health and/or safety measures may be required by the facility owner at which this event is being held, or by the Event Organizer. Such statements may be included in this test schedule, in the event confirmation, or posted on site at Check-In for this event. Failure to comply with these requirements, as well as other provisions in this test schedule are subject to disciplinary action as described in Appendix C to USDAA Official Rules & Regulations, which could result in dismissal from the event and/or cancellation of all results from performance at the event, without recourse.
