Class Descriptions

Tournament Class Rules & Descriptions

Tournament classes are open to all competitors, regardless of previous experience. Tournaments are held to test a competitors training and performance skills in head-to-head competition. One or more of the following tournament classes may be held at this event:

- **Grand Prix of Dog Agility®**
An individual competition on a standard agility course to earn qualifications towards entry to Cynosport®
- **Dog Agility Steeplechase®**
An individual competition on an enhanced jumpers-style course to earn qualifications towards entry to Cynosport®.
- **Dog Agility Masters® Team**
A Team competition, offered locally as either a two-dog or three-dog team, to test versatility and endurance through the five core class types in

USDAA rules & regulations. Offered in both formats at Regional Championships and at Cynosport[™]. Earn qualifications towards entry to Cynosport[™].

- **Masters Challenge BiathlonSM**

An individual competition on open, fast standard and jumpers courses to earn qualifications towards entry to Cynosport[®].

Rules for all tournaments may be downloaded from the Internet at <https://usdaa.com/regulations/tournament-rules.cfm>, and are incorporated here in their entirety by reference. The rules include important disclosures on eligibility and advancement, start and end dates for the current tournament season qualifying period, information on special prizes and awards, advancement rules for each tournament at Regional Championships and Cynosport[®] championships, and more.

Qualifications in tournament classes also count towards versatility titles (e.g., Tournament MasterSM, Agility Dog Champion[®] and Lifetime Achievement Awards. (see USDAA Rules & Regulations for full details.)

Masters Challenge Biathlon—Concurrent Scoring for Titling Purposes

When the Masters Challenge Biathlon is offered, the two classes in the Biathlon (i.e., Masters Challenge Jumpers and Masters Challenge Standard Agility) are scored on a time-plus-faults basis for a combined tournament score. These classes are concurrently scored for titling purposes pursuant to rules set forth in [Chapter 12 of USDAA Rules & Regulations](#), which are incorporated here in their entirety by reference. Qualifying scores earned in each round of the tournament are recorded for tournament, title, and lifetime achievement awards.

Titling Class Rules & Descriptions

One or more titling classes may be held at this event to test development of competitor skills and training and handling at different experience levels, as described in [Chapters 3–12 of USDAA Official Rules & Regulations](#), which are incorporated here in their entirety by reference. These can be reviewed and/or downloaded from www.usdaa.com/regulations/usdaa-rules-and-regulations.cfm. Following are informational notes that are included in more detail in the regulations referenced above:

Veteran Classes

One or more veteran classes may be offered at this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged as course challenges are presented at the Masters level.

- Veteran Classes are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event.
- A dog entered in a Veterans titling class on a day may not be entered in that same class in the Championship or Performance Programs. Complete program rules can be found in [Chapter 9 of USDAA Rules & Regulations](#) referenced above.

Pairs Relay—Combined or By Level

Pairs Relay titling classes may be held on a "Combined" basis within each program, meaning that experienced dogs (Masters and/or Advanced levels) may pair with dogs working in lower class levels (Advanced and/or Starter level) for titling purposes. Competitors with dogs in the same program and level may also enter together.

- When offered as on a Combined basis, pairs relay will appear on the Entry Form and Class Schedule as "Combined Relay". When offered by Level, relay will appear as "Pairs Relay", with each level offered being listed on the entry form.
- The two methods of offering pairs relay is in keeping with a primary purpose of the Relay class in promoting camaraderie in working a course with a partner (amendment to regulations effective April 2020).
- A Combined Relay class is run on an Advanced level course and scored under Advanced level rules, and the Qualification is valid for any level title within a program.
- A Pairs Relay by level is run on three different courses to meet the requirements for courses at each experience level (i.e., Starters, Advanced, and Masters).
- When entering a Relay class of either type, simply complete the form marking the appropriate Program and list a partner of choice by including the owners name and their dog's registration number.
 - Alternatively, you may enter as a "draw" team when you do not have a partner and are willing to run with others. For "Pairs Relay" class offered by level, your partner will be drawn from other draw entries of competitors at the same level. For "Combined Relay", your partner will be drawn from other competitors at any level in the same program.
 - A group may pair a competitor with an "accommodating dog" (i.e., one who is not entered in the class) when an odd number of competitors are entered, but the group is not required to do so. In this latter case, a refund of entry fee will be made.
- When a second offering of the class (indicated "2nd run" on the Entry Form) is to be *run on the same course*, each handler runs their chosen portion of the course, and immediately following the first run, competitors run a second time with each running the other section of the course previously run by their partner.

Miscellaneous Classes

One or more Miscellaneous Classes may be held in conjunction with this event identified on the entry form as "Misc". The rules and description for such classes shall be included below as a separate disclosure or when not disclosed below, may be obtained by writing the Event Secretary. Such rules and description are incorporated here by reference.

Entries & Acceptance

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

General Rule on Eligibility

This event is sanctioned by the United States Dog Agility Association, Inc. ("USDAA").

This test is open to all persons with dogs being at least 18 months of age (14 months of age pursuant to Chapter 10 for Intro Program when offered OR for Sanctioned Match), regardless of pedigree or absence thereof, who have a current registration with USDAA and whose owners and the dog's handler are currently in good standing with USDAA.

This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at [USDAA Rules & Regulations](#), as amended.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Express & Overnight Entries

Entries sent by Fedex, Express Mail or other courier service will only be accepted if the waiver allowing delivery **without signature** is signed. The club will not be responsible for deliveries delayed if a signature is required.

BIS

Bitches in Season

Data Driven is now accepting entries from Bitches In Season(BIS). BIS will be allowed to compete within the following parameters: Valori Duff (the trial secretary: valwaussies@comcast.net) must be notified as soon as the competitor knows their bitch is in season/will be in season at the event.

Bitches MUST wear sanitary panties at all times on the show ground, including in the crating area, common areas (on the way to potty) and while competing .

By doing so, no adjustment in running order will be necessary and other exhibitors with intact dogs can easily recognize the condition of the bitch. Please be respectful of other competitors while your BIS is in close proximity of other dogs. Failure to follow these procedures may result in dismissal from the trial.

General Entry Conditions

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Statement of Responsibility

Competitors alone are responsible for the behavior of themselves, their dogs, children, and guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Evolving COVID-19 Environment Health Safety Measures

The health environment related to COVID-19 and its variants are continuing to evolve nationwide. Competitors, show organizers, and guests are urged to remain respectful of individual choices and varied practices that may occur. USDAA recognizes that the biology for each person is different with respect to any illness, and each may have their own preferences on what is necessary for them to return to open events given their personal situation.

Groups may set specific requirements for their events as they deem necessary to provide a safe and enjoyable event for competitors. Because of the many uncertainties, the host Group, USDAA, and event officials can assume no liability related to these risks, and individuals shall be solely responsible for making their own decisions regarding health risk and safety measures taken, or whether to attend the event. Any stipulated requirements by the Group shall be set forth either in a note in the test schedule for the event, communicated in event confirmations (or otherwise by email), and/or posted at the event. Competitors shall expect that a host Group shall enforce whatever rules they set in place under authority set forth in USDAA Disciplinary Rules published in USDAA rules & regulations..

Each person attending this event as an official, volunteer, or competitor shall be solely responsible for and assume liability for their own decisions regarding health risk and safety measures, and each person shall be accountable for their actions relative to any procedures in effect, which may or may not include:

- Maintaining social distancing measures
- Wearing a mask or gloves
- Being aware of items that you may touch and that may have been touched by others
- Washing hands and/or use of hand sanitizers
- Enjoying of food and refreshments, if provided

Additional health and/or safety measures may be required by the facility owner at which this event is being held, or by the Event Organizer. Such statements may be included in this test schedule, in the event confirmation, or posted on site at Check-In for this event. Failure to comply with these requirements, as well as other provisions in this test schedule are subject to disciplinary action as described in Appendix C to USDAA Official Rules & Regulations, which could result in dismissal from the event and/or cancellation of all results from performance at the event, without recourse.

Further, if you have been exposed to anyone that may have been exposed or infected with a virus or flu or any other contagious illness within one to two weeks prior to the event, or if you are feeling ill, please take responsibility and stay home and rest.

Bitches In Season Allowed at This Event

Special provisions are being made for competitors who have bitches in season. However, any dog that is ill or exhausted and pregnant bitches cannot take part in the running of any class. For details go to [USDAA Policy Statements](#), which are hereby incorporated by reference.

Fix & Continue Will Be Allowed At This Event

The USDAA Policy Statement on Training in the Ring or "Fix & Continue" has been adopted for this event and is hereby incorporated in its entirety by reference. Competitors are expected to familiarize themselves with this policy, which can be found on the USDAA web site at [Official USDAA Policy Statements](#)

Fix & Continue during a competition run generally provides for repeat of an obstacle at handler's discretion under conditions set forth in the Policy Statement. When discretion is exercised to utilize the Fix & Continue, their score will be recorded as an elimination and the maximum course time set to 60 seconds. This practice may be utilized only once in any Standard, Jumpers, or Relay class (including similarly-styled tournament classes at qualifying events). The competitor must continue working the course in flow, while "fixing" and "continuing" on the course. See the Policy Statement referenced above for complete details.

Mulligan Runs

Based upon the number of runs per day at this trial Mulligan Runs may be available for one or more classes each day. The Show Committee shall determine in which class(es) a Mulligan Run will be allowed. Availability and cost for each run shall be announced in final confirmations. Only competitors entered in the class are eligible for a Mulligan Run per USDAA policy which is hereby incorporated by reference.

A competitor must sign up and pay for their Mulligan Run immediately following their titling run (if they didn't sign up/pay for a Mulligan Run prior) and prior to the completion of the class. A Mulligan Run sign-up sheet will be made available. When Mulligans are running concurrently with another ring at an event, only silent toys are allowed and may not be tossed. Food, treats, training aids are not allowed.

Running a Class "For Exhibition Only" (FEO) at Local Events

A competitor may enter a class at a local event (events other than regional, national and international championship or special events) and declare on the day of the event that they are going to run "For Exhibition Only" (FEO). Declaring "For Exhibition Only" requires that-

- the Gate Steward, or the Competitor in the absence of a gate steward, clearly mark "FEO" by the competitor's entry number on the posted running order
- the Competitor vocally declares to the Judge and Scribe, "FEO", when advancing to the start line
- the Scribe clearly marks "FEO" on the scribe sheet
- the Scorekeeper records the round as "Withdrawn", denoting the round as a noncompeting round in the official results and shall be ineligible for awards

Additionally,

- non-audible toys are allowed but must be used in a manner that does not distract other dogs running in adjacent rings
- the dog shall be run at the height at which it was entered.
- the maximum time on course allowable is the Standard Course Time (SCT); however, the judge, in their sole discretion, may dismiss a competitor from the ring for any behaviors that are deemed unsafe or harsh, or that do not present the sport in a positive way.
