Day 1, June 9, 2023
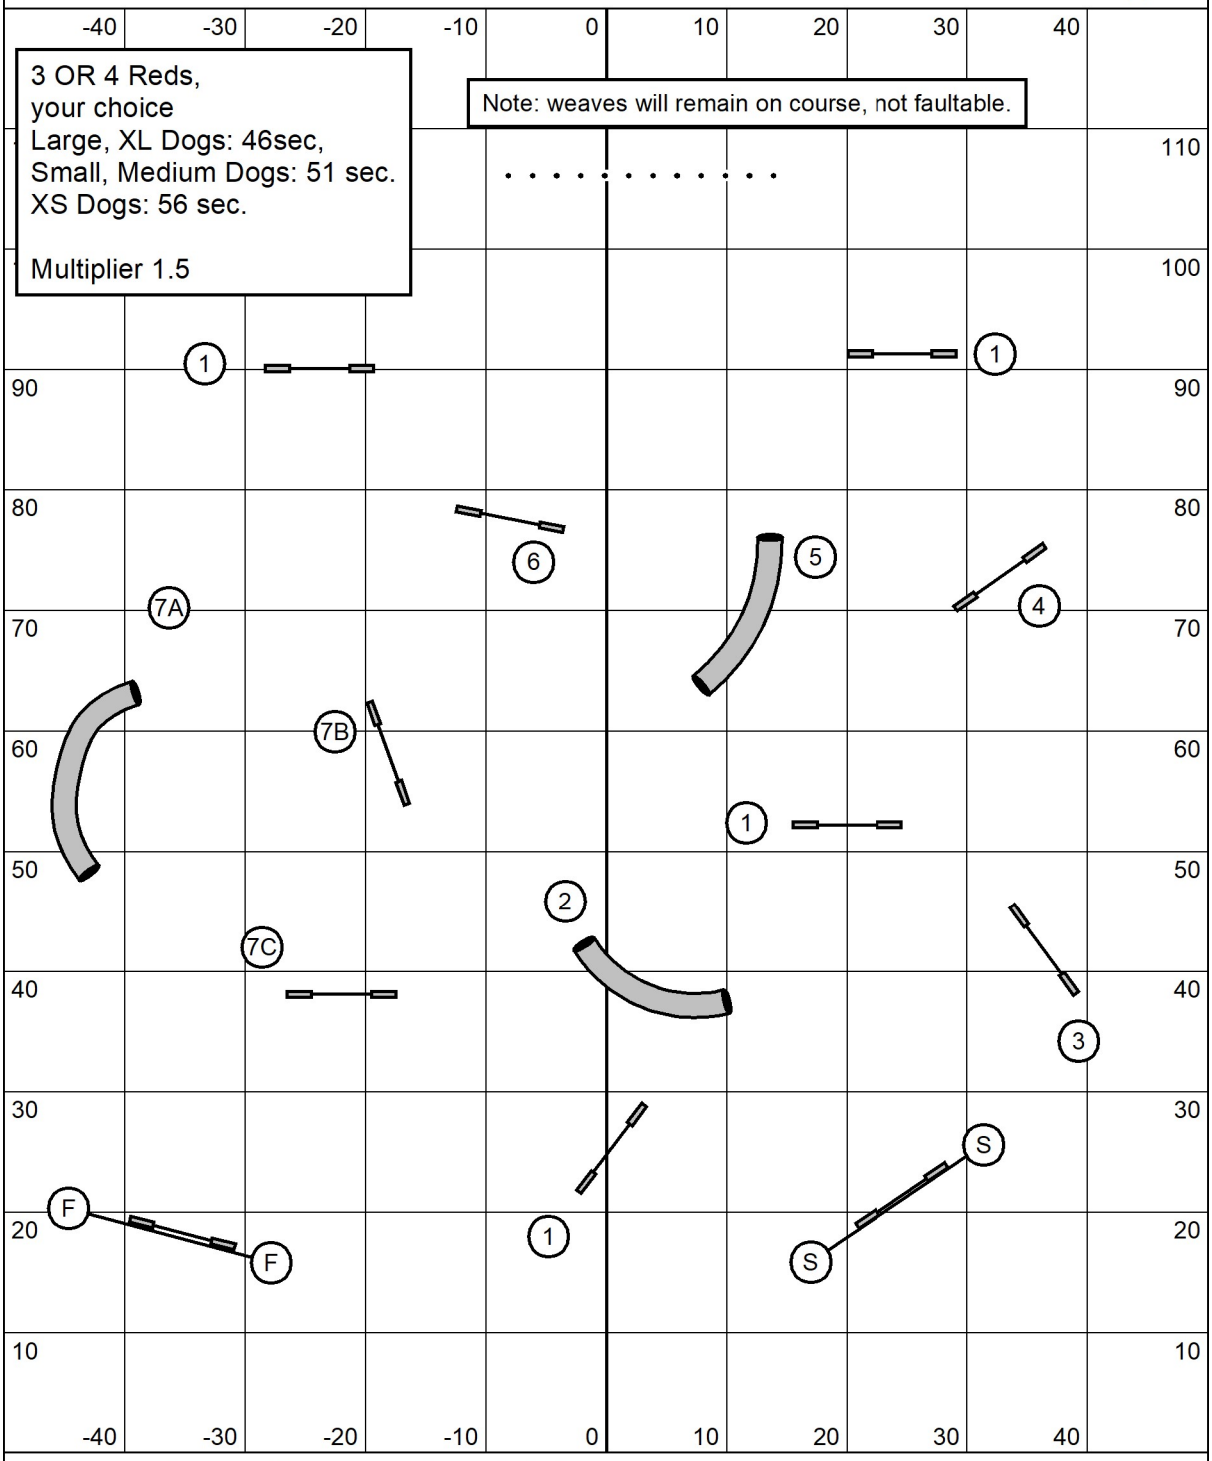
Team Snooker

NOMAD
Jelinda Pepper



During the Opening, all are bi-directional.
Combinations may be taken any order. If faulted, must be completed -- 0 points, but no whistle either.
If a bar is not reset, may run between uprights for points.

Closing: As written.

Start Jump is not faultable and may be taken without penalty while on course.
Finish Jump is Live once you start, and taking it will end your run.

Times:
Large, XL - opening 25 sec. Closing 16 sec
Small, Medium -opening 28 sec. Closing 18 sec
XS - Opening 30 sec. Closing 20 sec.

Multiplier: 1.5

1-2-3-5 scoring. 5 = seesaw.
3 pts = weaves, Aframe
2 pts = tire, tunnels
1 pt = jumps

If you knock a gamble obstacle in the opening it is now dead during your gamble period. You must complete the obstacle for 0 points during the gamble period, and you may continue earning points for the remaining unfaulted gamble obstacles.

Gamble: when the horn sounds, may earn bonus points as you complete in order each of the obstacles labled 2 - 4- 6 - 8. Once each in numbered sequence. Earn a 4 point bonus for remaining behind the gamble line when dog completes 6 to 8. If you cross the line, you may still earn the 8 points but no bonus points.
