Snooker Levels 3, 5 & C

Opening

Team must complete a "red" jump (1 point each), followed by a "color" (obstacle of choice, from 2 through 7). If the "red" attempt is not successful, than another different red must be successfully completed before moving on to a "color". This red-color sequence is completed 3 times (red-color, red-color, red-color).

The same "red" jump may not be taken twice

If a color is failed, you must move onto the next red. Do not attempt another color.

Closing

Following the third "red-color" sequence, you must move on and complete the course, numbers 2-7. Any obstacles taken in between the last color and the "2" obstacle will result in your run ending

Point Requirements

Level 1 - 26 Points

Level 2 - 28 Points

Level 3 - 30 Points

Levels 45C - 32 Points

*Enthusiast and Specialist teams need to accumulate two less points than listed
