1.5 multiplier

Opening: 1-3-5-7,
weaves are 7.
Everything twice for
points. Back to back
contacts ok,
consecutive contacts
not ok.

Two gamble obstacles
can be done in a row
in open - but only two.

Closing:
1-5 circles is 15 points
if done in allotted time.

You may also choose
to get closing points
by taking only wing
jumps. Each jump in
a row is worth one
point more.

1st jump is 1 point,
2nd jump is 2 points,
3rd jump is 3 points,
and so on. No limit but
you can only take
each individual jump
twice for points in
close. If you take a
non-wing or knock a
bar, your count
restarts to 1 point.

No refusals faulted in
close.
