Vendors for Canine Bodywork & Photography

Please support our vendors. They enhance our trial and contribute gift certificates to the Worker Raffle.

- Donna Kelliher Photography will be photographing our trial. See Donna to arrange special pics. Link to proofs sent out afterwards. Thank you, Donna. You capture our dogs skills and let their personalities shine through.

- Nikki Gammans of Pro Canine Bodywork & Conditioning will be available for last minute tune ups and post-run trigger point massages. Her goal is enhancing your working or sporting canine's performance. Ask Nikki about her experiences at Heathrow Airport with the Detector Dog Unit or her time in Abu Dhabi trapping strays. Walk-thrus & Worker Break for Masters/P3 Classes

Walk-thrus will be 7 minutes long. Please pay special attention to the running order.

There will be three (3) minutes after the walk thru before 1st dog is on line.

When the trial is small we break Masters/P3 classes in half and there will be a 5-minute worker break to allow the workers to potty and get their dogs.

Keep Things Moving

To help speed it along, we ask that you listen to the judges briefing and being on line when asked to do so. This means leashes off and kisses done.
