The map illustrates the German offensive in the East during 1941. The coordinate system shows longitude from -40 to 40 and latitude from 10 to 110. German forces, represented by circled numbers 1 through 18, are shown advancing from the Baltic Sea in the north, through Poland and the Soviet Union, towards the Caucasus in the south. Soviet forces are indicated by letters: 'F' for Far Eastern Army, 'S' for Southern Front, and 'T' for the Tenth Army. The map also shows the Volga River, the Dnieper River, and other major geographical features. A scale bar at the bottom indicates distances in miles and kilometers.
