# JACKPOT ALL LEVELS

Non-Traditional Jackpot Briefing

In both the opening and closing periods, each time the dog successfully performs a 5 point obstacle, followed by a 3 point obstacle, followed by a 1 point obstacle, 5 additional bonus points will given to the team. If any obstacle is faulted in the sequence or has already been taken twice for points, no bonus points will be earned.

Each obstacle can be taken twice for points, and at the conclusion of the opening period all obstacles are reset for points.

Teams must get to the table before time expires and have enough total points for their level to Q.
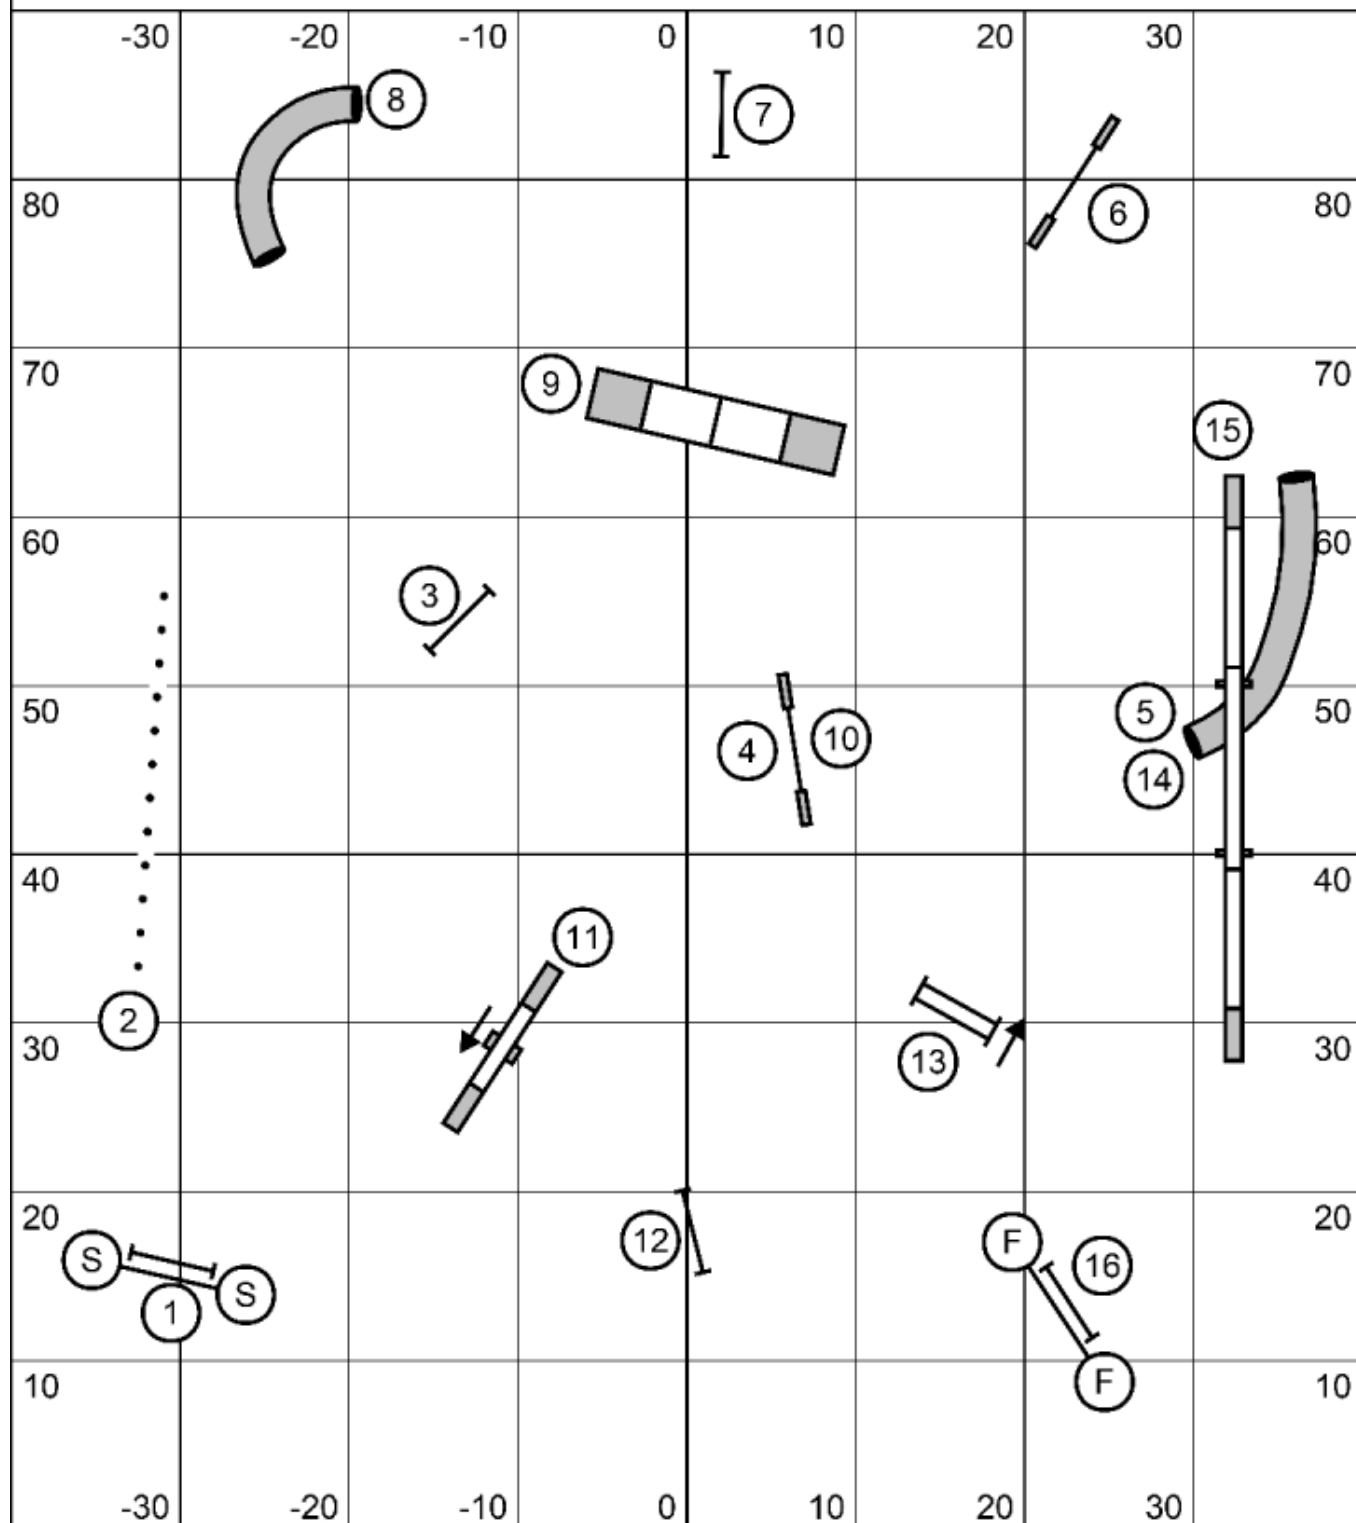

Times: Small dogs - 30 sec opening, 18 sec closing
　　　　Large dogs - 35 sec opening, 20 sec closing

Points: Level 1 = 32
　　　　 Level 2 = 36
　　　　 Level 3 = 40
　　　　 Levels 5/C = 44
Enthusiast and Specialist need 2 points less than above.
