

We're celebrating a New Year!

At All Dogs Gym, 505 Sheffield Rd, Manchester, NH 03103

As we have in the past, per your request, we are treating our Dec 28, 2024 New Year's trial as a day of fun. Come one, come all, to our dress-up, dress-down, pj's, gowns, ugly sweaters, come as you are end of the year celebration! Note: only dogs are permitted to be naked.

FOOD

There will be no official set-up for potluck this year. We are too tight on space. Please bring whatever foods or snacks you want or need for yourselves or be prepared to order for delivery.

ADG will be providing water and coffee with the fixin's.

The agility committee and helpers will begin set-up for the trial at 1pm on Fri. There will be NO Friday night set-up for competitors.

CRATING

We will have to squeeze as many of us as possible into the arena and classroom areas for crating. Come prepared to stack if possible. Remember that flexi-leads, expens and tacky paw substances are not to be used in the building.

There will be seating for viewing in the arena allowed for this trial. Please use the metal chairs and have a crate for your dog to rest separately, not in the viewing area.

SCHEDULE

As always, our times to make note of are as follows;

Doors open	7:00am
Measuring	throughout the day as needed
Briefing	7:40am
First dog up	8:00am

Do not arrive before 7am as Manchester has a noise ordinance. The running order catalog will be posted on **mydogentry.com** after the last day for move-ups or changes on Mon, Dec 23. The correct run order will also be on the gate sheets.

Competitors who entered or made changes to their entries online are responsible for the accuracy of those entries. Review your confirmation carefully.

The ADG January trial will be closed to further entries as of Fri, Dec 27..

The February trial on Feb 8 and 9, 2025, will be open for entries on Dec 27th. We invite you to use the online system at **mydogentry.com** to make entering faster and easier. Our judge will be Mike Conroy.

VOLUNDEER SCHEDULE

Trials run smoothly and more quickly with your help. If you did not sign up to help online, you may do so at the trial. Coupons for future free runs may be earned.

RUN ORDER

The following is the running order for the day:

high to low hts & levels

FullHouse	1235C
Colors	35C, 12
Standard	5C, 3, 2,1
Wildcard	35C, 12
Jumpers	35C, 12

*NOTE: CPE rules... Do NOT change the running order of the dogs on the gate sheets unless you have a volunteer worker issue or some other major conflict. "I don't want to be first, last or right near that other dog" is NOT a legitimate reason for making a change to the running order as it has been established.

Electronic timers will be used.
