

2025 Run Thru Ring Rules

- One Standard ring will run each hour starting at 8:00 am to 4:00 pm.
- One modified Jumpers ring will run each hour starting at 8:00 am to 4:00 pm.
- Each ring will have Gate Sheets – please remember to check in and please do not move your dogs.
- Each ring will have an eight minute walk thru starting on the hour, each hour.
- Each ring will promptly start after the walk thru, approximately 10 minutes after each hour and run until all dogs have finished for that hour.
- Please be at the gate when it is your turn – we are on a time schedule and expect to be totally full.
- Please go into the entrance gate chute when the dog in front of you is headed to the exit gate chute.
- Each person will get 60 seconds to run – you may run anything and anyway you personally choose.
- Your time starts when you pass the automatic timers at the entrance gate chute.
- At 50 seconds you will hear the horn. That indicates that you time is up and need to start heading to the exit gate chute.
- No food in the rings (dog or human). A toy is allowed but ABSOLUTELY no food or treats in toys.
- If your dog eliminates in the ring – it is your responsibility to clean it up quickly.

Standard Equipment: A-Frame, dog walk, teeter, jumps, tunnels, tire, weaves

Modified Jumpers Equipment: Jumps, tunnels, weaves

Both rings are outside on dirt.

Check mydogentry.com for Running Order, Ring assignment and volunteer assignments after May 7, 2025.
