Crating information:

Please stack your crates. We must all fit into the classroom. Quiet dogs may be crated in the arena. See a committee member for direction on arena crating. Competitors may use their own chairs in the viewing area for limited periods of time. Please keep them low-backed and non-reclining. Because we are tight on space we need to be mindful of others dogs and people around us. Tugging and rough play should not be done in the arena where dogs are lining up to run.

The All Dogs employees at the front desk have nothing to do with the trial. Please come to one of the committee members for the trial if you have questions or concerns.(Sue Fontaine, Liz Shattuck, Michele Simard, CJ Dame, DeeAnn Decker, Lenore Coombs) Sue is happy to answer questions and help with concerns but she requests that you do not disturb her while she scoring FULLHOUSE or JACKPOT.

Food, drink or clickers should not be inside the arena. Remember, flexi leads, ex-pens, and tacky paw substances are not allowed in the building.

All dogs must be crated when not running or on leash when waiting their turn in the ring or when actively in the warm up area. There will be a ZERO tolerance policy for this rule.

All Dogs is a business and has restricted us from certain areas of the building. Specifics will be mentioned at general briefing.

Offenders may be asked to leave without refund. All exhibitors must pick up after their dogs. Please use the trashcans outside for dog pick up.

It is important that you be on time for your run. Per CPE rules, any dog not set to run when their turn comes, may be skipped. Return to a height is at the host club and judge's discretion.
