***No parking in the community center.**

Entering/Exit

- You may enter either through the red door of the training center or the left hand side door of the daycare entrance. The daycare entrance allows for easy access to the daycare crating room.

Crating:

- Crating will be available for exhibitors. There are several different spots to crate including a daycare room with kennels. Kennels can be used directly or you can place your crate in one. Consolidate your area as we anticipate tight crating spaces. Please be respectful if a member of the committee asks you to relocate to reduce stress for your dog. You may also crate dogs out of your car.
- Please be aware of other dogs in the entrance hall and keep attention on your dog.

Course Maps and Run Order:

- The current run order is included in this Final Confirmation email. We will be using My Dog Entry to check in and monitor the run order. There will be a tablet available for those folks that are unable to access My Dog Entry.
- Course maps will be emailed to you the night before for the next trial day. These will also be available through My Dog Entry.

Snacks:

- Worker snacks will be provided.
- Lunch: We will be ordering out each day from Firehouse Subs in Portland (\$15). Place your order by **Wednesday March 26th 6 pm** on the following google sheet (**not** the same sheet as the volunteer sheet). Choices are turkey, ham, roast beef or veggie, with white wheat or gluten free bread.
