The diagram shows a grid-based obstacle course layout. The grid has a horizontal axis from 90 to 10 and a vertical axis from 30 to -30. Obstacles include: a horizontal bar at the top; a diagonal bar on the left; a horizontal bar with an arrow pointing right in the center; a diagonal bar on the right; a curved bar on the left; a curved bar on the right; a dashed line at the bottom; and several numbered circles (2, 4, 6, 8) and letters (a, b, F, S) indicating specific points or goals. Arrows indicate the direction of travel for some obstacles.
