- You do not need to be registered with CPE to participate although your dog should have some experience on the equipment – for your safety and your dogs.

Volunteer Information

- This is a small trial and we will need everyone to help volunteering.
- **Rewards:** Each time you volunteer, you will receive a chance at a raff le basket or EMAC bucks.
- **Set-Up/Breakdown:** Please remember, we can really use help with setup at noon on Thursday and packing up the trailer after the trial ends. This is a big job and we would greatly appreciate the help!
- **Volunteer Schedule** is posted here: [Volunteer Link](#)
You can also find the link on our Facebook Page. If you have any issues signing up, please email meganyani@gmail.com or shawtwin25@gmail.com.

General Trial Information:

- **Snacks:** We will have prepackaged snacks available at this trial. The snacks are free to Volunteers and for purchase by others.
- **Lunch:** We will not be ordering lunch at this trial. Please plan to bring your own lunch.
- **Water:** In an effort to “go green” and use less plastic, EMAC will NOT provide bottled water at this trial. A water cooler will be provided - you can fill your own water bottle, so BYOWB!

Trial Theme Fun:

- **Most Colorfully Dressed:** Each day a competitor will be picked as the most colorfully dressed. Prize given for each day
- **Saturday – Doreen Look a like contest:** Come dressed like Judge Doreen and win a prize.
- **Sunday – Colors Class:** The closest time to 9.7 seconds (for September 7th) will win a prize.
- **Photo Op:** There will be a tie dyed/groooovvyyy themed photo op all weekend! Take a picture with your pups!

Important Trial Information:

- A previous email containing your entry information has already been sent. **It is your responsibility to check this information carefully and notify the trial secretary of any errors as soon as possible.** Most errors cannot be changed on the day of trial. Please email me at emactrials@gmail.com if you need something corrected.
- **Bait and toys:** These must be at least ten feet from the ring. Use the “bait baskets” provided just outside the gates to store your bait bags.
- All exhibitors must pick up after their dogs in all areas of the campground. Please use the trash cans for dog pick up.
- **Campground:** If you are camping or staying in a cabin at Hadley’s Point Campground, please make sure you check with the staff for the time you need to be off the campsite, or out of the cabin. The campground does have required check-out times. Remember, they have other guests coming in on Sunday :)

See you Soon!
