IMPORTANT INFORMATION REGARDING THIS SITE

There are 3 designated Pet Waste Stations in front of the building and by the main field. You are welcome to potty your dogs in these areas. Please do not let your dogs go to the bathroom on our landscaping or on the building. If you see someone do this, please let us know.

Turf Protocol: If your dog has an accident on the turf, please interrupt them from going and get them out of the arena as quickly as possible. You will be charged a \$20 cleaning fee if your dog has an accident. We ask that you are diligent with offering your dog to go to the bathroom before each run. Keeping the turfed arena as clean as possible for everyone is extremely important. Please do not walk your dog behind the building by the basketball courts or by the RV's parked on the South end of the building, which is on the opposite side of the front door.

Bratty Paws Dog Plex is a SMOKE FREE property. Please no smoking anywhere on the trial site.

UKI TRIAL INFORMATION YOU MAY FIND HELPFUL....

Measuring

If you are not jumping 24 inch, 22 inch or (20 inch Select), and your dog does not have a permanent measure, it will need to be measured. Measuring will be held at 8:30 am Saturday and all exhibitors needing to be measured should arrive prior to this time. If any of your runs occur before measuring, you may still run your dogs and any points you receive will stand, regardless if you measure out of your height you entered. Once your dog has been measured and you are not eligible to jump the height you entered, you must see the show secretary to get scribe sheets for the correct jump height for your remaining classes.

If you have an actual measurement card from another organization where your dog has been measured using an official measuring wicket that is not within 1/4" of a UKI jump height limit, please bring this with you to the measuring session as you will be able to use this measurement as your measure and will not have to get your dog measured. Please check with the secretary to be exempt from measuring process and show you permanent card.

Course Walk Throughs

It is the competitor's responsibility to be aware of what is happening in the rings and be ready for your course walk throughs. All jump heights will walk at the same time. For example when the Novice Speed Stakes course is up for walking – all heights, including the Select Options will walk. Call Sheets

Each class will have call sheets located at the ring. Please check in for your class by ticking your name only when you have walked the course.

Running

It is the competitor's responsibility to know what is going on in the rings. When your jump height is running in your class you must be ready to run.

MOVING UP

Beginners to Novice – Equivalent of 3 clear rounds (12 points, 8 from agility)

Novice to Senior – Equivalent of 5 clear rounds (20 points, 12 from agility, 4 from jumping, 4 from games)

Senior to Champ – Equivalent of 9 clear rounds (36 points, 12 from agility, 12 from jumping, 12 from games)

UKI does next day move ups!

If you gain enough points on at a trial, you must move up to the next level on the next day or trial. If it is the second day of a trial, please see the trial secretary to fill out a move up form. You will then need to fill in your scribe sheets for the new level for the classes you are entered in for that next day. Keep hold of your tickets and hand them in when you run. You will need to write your name on the call sheets for the new class and level you are in. Do not worry about scratching your name off on the old level call sheet.

Training Rounds – Not for Competition (NFC)

You may opt to make any run you have signed up for a “NFC” training Round for which you may bring in a non-audible toy into the ring. You may not use any food or clickers! You must state NFC prior to entering the ring. The Scribe will write NFC across your scribe ticket, and notify the judge. You will be given the course time to do what you wish. Listen out for the timer to yell “Time!” – You must immediately exit the ring – please stop the finish timing if electronic timing is used.

If you do not notify the judge and scribe ahead of time that you are doing NFC, you will not be able to turn your run into a training round if you are faulted on course. Repeating any piece of equipment will be deemed training and the judge will ask you to leave the ring immediately if you do this.

Results

Once you have run, your scribe sheet will be sent to the scoring table. It is important that you check your scribe sheet to be sure you agree with your result. If you think there is a problem, you will need to speak to the judge before he or she forgets your run. The judges’ decision is final, so if you wait and the judge cannot remember your run, the scribe sheet will stand. Please remember that if the judge disagrees with you once you have stated your case, you must be a good sport and remember that the judge is only human and judging is still subjective.

You will win some and you will lose some, but again the judges’ decision is final.

Once all the heights within a class are finished, the results will be submitted to the show secretary by either downloading from computer scoring, or handwritten results sheets, for sorting of level points and reading out for prizes. The results will then be available for viewing by all competitors.
