

Hi Scent Sport Exhibitors,

Below are some reminders and some important bits of information for you about our event this weekend. Please read everything carefully since we have some very specific rules pertaining to this event.

1. If you are ill, please stay home. If GLOC deems an exhibitor ill at the event, it has the option to excuse that exhibitor.
2. The Secretary will be setup in the office in the Gayle Hatten Pavilion. **Check in starts at 7:30AM**. Armband labels will not be used for this event.
3. The judge's briefing will take place outdoors at 7:45am with start time at 8:00a.m. Remember: if you need clarification about anything, ask the judge at the start line before you begin your run.
4. There will be walk-thrus to familiarize you with the building.
5. In your confirmation you have received the order of elements and classes. Classes are listed in the order they will be run. Please bring along a copy of your confirmation and the CSS guidelines either printed or on your phone.
6. The running order/check-in sheets will be posted on or near the around the main entrance.
9. Crating is out of your vehicle only; there is no indoor crating space at this venue.
10. There will be a public event in Gayle Hatten Pavilion and the 4 H building on Saturday only. Event runs from 9-5. We are expecting the parking for their event to be around the pavilion and near the swine barn as well.
11. Videotaping will be allowed during all searches. Please do not ask a steward to video you. You must have your own designated person.
12. There will be no food available at this trial. There are multiple fast food restaurants with 1.5 miles of the trial site.
13. Dog potty area will be along 1st Street. Please pick up after your dog.
14. Results and ribbons will be on a table inside near the Secretary. There will not be an awards ceremony. Pick up your own ribbons.
15. Class Transfers: Tell the secretary about any transfers. Since we have multiple rounds each day, make sure you tell the secretary about your transfer immediately after your run. The secretary will record your transfer information.
16. If you have your CPE scent sport title sheets, remember to bring them along with you so you can keep track of how your dog does. This will help you with class transfers. If you don't already have one, we will have them available at the trial.
