Double Dog Dare You!

* At this spooky time of year, your friends Double Dog Dare you to enter the witch's garden and steal a pumpkin for your porch!

* Your gamble begins once your dog goes over the witch's garden gate (the Double). The next 3 obstacles are worth DOUBLE points! You may complete the gamble at any time during the run, but make sure to exit the garden before the witch catches you and turns you into a toad! (aka Going over time!)

* All obstacles can be used twice successfully for any kind of points. You can double the same obstacle twice, but then it is dead.

* You must have at least one double point obstacle in order to get gamble points.

* You may go to the table at any time to end your run. It is automatically live after the first buzzer. Table is worth an additional 5 points (this point value CAN be doubled).
