BRIEFING: The finish jump is live at all times after you receive the "Go."

Start line is bi-directional.

All obstacles may be taken twice successfully for points and back to back obstacles are allowed if done safely.

To qualify, you must obtain the required obstacles, which are three (3) 1 point obstacles, two (2) 3 point obstacles and one (1) 5 point obstacle plus the additional points to complete your level.

Once you complete your point accumulation, you may go to the finish jump at any time. Once the horn blows, you have 5 seconds for your dog to take the finish jump to stop the clock, or lose one point for every full second over time. The finish jump is bi-directional, it is not faulted and has no point value.
