Briefing:

The start line is bi-directional. All obstacles may be taken twice successfully for points. Obstacles may be taken back to back as long as they are done safely. Once the horn blows you stop accumulating points and must head to the finish jump. For every full second over time one point will be deducted.

To qualify you need three single jumps, 2 tunnels/panels and 1 joker and enough points for your level. The finish jump is live at all times and has no point value.

1 point: single bar jumps
3 point: panel jump, tunnels
5 point: double, a-frame, teeter

Points to qualify:

Level 1 19 points

Level 2 21 points

Level 3 23 points

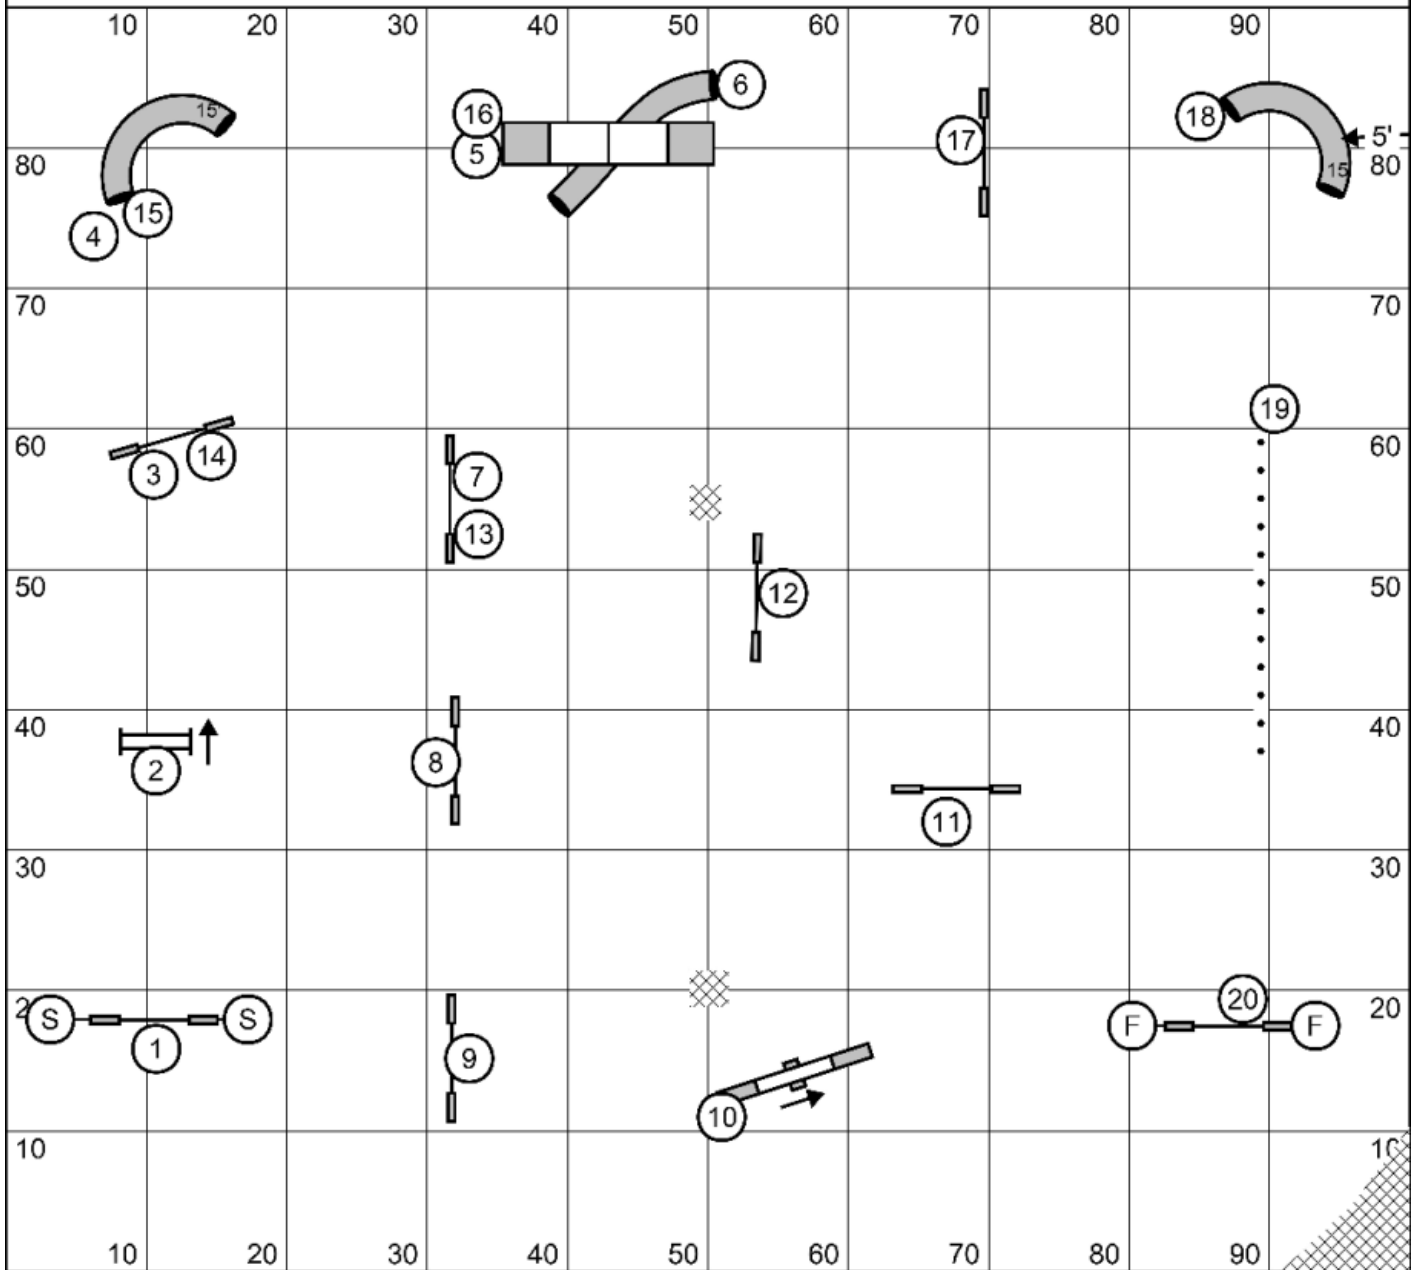

Level 5,C 25 points

Enthusiasts and Specialist two points fewer
