

Takes 2 to Q CPE Agility Trial Dec. 13-14, 2025

Hello Exhibitors!

Thank you for entering the December 2025 CPE Agility Trial hosted by Takes 2 to Q Agility Club. This is your confirmation letter. At this time, we have a total of 79 dogs entered for 222 runs on Saturday and 178 runs on Sunday. We will all do our best to move the trial along efficiently while making sure everyone has a safe and successful run and gets their time in the ring. Walk throughs will be timed at 10 minutes; split walkthroughs for Jackpot and FullHouse will be Walk-Walk, Run-Run, 5 minutes each group. The first five (5) dogs need to be lined up and ready to run immediately after walk through time has expired. If we need to split walkthroughs for other classes, announcements will be made prior to the walkthroughs.

My Dog Entry (MDE): We will be using MDE for check-in, gating, trial documentation, course map delivery, and run results. The gate steward will have a tablet to check off the dogs as they run, which will update the real-time run order you can access on your phone. Paper gate sheets will be informational only and not used to check off dogs.

Volunteer Workers: We are counting on our volunteers (thank you so much!) to help make the weekend go smoothly. Please sign up at the link provided below to help out. Please sign up for your favorite jobs and click in an empty cell to save your input. If you cannot access the google doc, please try the link in MDE. You may also sign up at the trial. Volunteers will be able to take two (2) tickets for our worker's raffle for each class worked. Raffle prizes consist of monetary awards that will be applied to your MDE account, to be used for a future T2TQ trial. You will receive an email when the award has been applied to your account.
