

Combined Gamblers Briefing
Premier UKI Jersey Devil DASH Tournament -- May 30, 2026 -- Mike Murphy

Opening Bonus:

Immediately after the start Jump, successfully complete 4 distinctly different Jumps without engaging another type of obstacle, for a one-time, 5 point Bonus (i.e., Tunnel, A-Frame, Weave, Teeter or Start/Finish) The Bonus is in addition to the normal Jump value of 1 point each. If another type of obstacle is taken before 4 successful Jumps, the normal Jump value is earned, but the Bonus is not available to be earned. If the dog faults a Jump(s), its ok to take another Jump(s) and as long as the dog has not engaged another type of obstacle, the one-time 5 point bonus can be earned.

If a Jump is faulted in the opening, it cannot be used in the close
Reminder, Start Jump cannot be re-used
