Crating, Prep and Hangout information

Come prepared to stack your crates, especially if you are bringing non-entered dogs. Priority for crating space is given to dogs that are entered in the trial. Quiet dogs may be crated in the arena. Because we are tight on space, we must be mindful of other dogs and people around us. Tugging and rough play should not be done in the arena where dogs are lining up to run. If you plan on using your car to crate and bring an Ez-up for shade do not secure them with stakes in the ground. We have an underground sprinkler system that could be damaged.

Competitors may use their own chairs in the viewing area. Please keep them low-backed and non-reclining.

The All Dogs employees at the front desk have nothing to do with the trial. Come to one of the committee members for the trial if you have questions or concerns. (Sue Fontaine, Liz Shattuck, CJ Dame, DeeAnn Decker, Lenore Coombs, Katie Cheever, Heather Bystrek, Janine Rigney).

PLEASE check your scores! Per CPE rules we cannot change a score after the trial has concluded. If you do have a scoring question, please bring it to a committee member so they can take it in the right direction. **DO NOT go to the Judge directly, Thank you!**

Food, drink or clickers should not be inside the arena. Remember, flexi leads, ex-pens, and tacky paw substances are not allowed in the building.

All dogs must be crated when not running or on leash when waiting their turn in the ring or when ACTIVELY in the warm up area. There will be a ZERO-tolerance policy for this rule. Offenders may be asked to leave without refund. All exhibitors must pick up after their dogs. Please use the trash cans outside for dog pick up.

All dogs is a business and have restricted us from certain areas of the building. Specifics will be mentioned at the general briefing.

It is important that you be on time for your run. Per CPE rules, any dog not set to run when their turn comes, may be skipped. Return to a height is at the host club and the judge's discretion.
