Using MyDogEntry.com at the trial:

Online check-in for each of your Agility and CSS runs will be available using MyDogEntry at <https://mydogentry.com> There will be a large "Check-In" button at the top of the MyDogEntry screen during CPE Nationals. Check-in begins at 4:00 AM each day. Online check-in is easier if you login to your MyDogEntry account. Everyone entered in CPE Nationals has a MyDogEntry account. Click "Reset Password" on the MyDogEntry home page if you do not know your MyDogEntry login information.

Real-Time Run Order will also be used. Look for the large "Run Order" button at the top of the MyDogEntry screen during CPE Nationals. There will be an estimated run time for each dog. These times update automatically throughout the day. These times are only estimates. Dogs may run earlier or later. Your dog will be highlighted in green if you are logged in to your MyDogEntry account.
