PLEASE NOTE

If you volunteered but do not see your name on this list, you may be assigned exclusively to the Float / Break Relief pool rather than to a fixed position.

Volunteers who have both a fixed assignment and Float / Break Relief availability are listed here for their fixed assignments. Their floater availability is listed separately on the Float / Break Relief roster.

With this many volunteers, judges, competitors and moving pieces, mistakes can happen. If you see an assignment that conflicts with your availability, please let us know as soon as possible.
