

SUNDAY SPEEDSTAKES CHALLENGE

.Speedstakes #1 and Speedstakes #2 Combined Winners of the challenge will receive a cash prize and a fun goody bag!

There will be 3 placements in each of the following:

Beginner/Novice Small (4"Select – 16" Regular) & Beginner/Novice Large (16"Select – 24")
Senior/Champ Small (4"Select – 16" Regular) & Senior/Champ Large (16"Select – 24")

Speedstakes Challenge Rules: In order to be eligible for the Speedstakes Challenge you must enter and run in both Speedstakes #1 and Speedstakes #2 classes. If you run NFC or if you are absent from either of those classes you become ineligible for the Challenge.

Speedstakes Challenge Scoring: Scoring will be based on time plus faults. Dropped bars, refusals = 5 faults each. An "E" elimination = 50 faults. Winners will have the combined lowest faults/lowest time. In the event of an overall tie, the lower time in Speedstakes #2 will determine the winner.

Important Note: This Challenge is an adjunct to the two Speedstakes classes. For qualifying runs that will give you progression points, all regular UKI rules and scoring for these classes apply. You do not need to enter both classes in order to achieve a UKI qualifying run and progression points.
