

Welcome to the Doberman Pinscher Club of Florida AKC Scent Work Trials

October 9 – 11, 2026

The trial will be held out-doors and is annotated on the map with a yellow circle. Please park where it shows PARK and please be patient with us, as the plan may change. You will need to crate from your car. We will be using the portable john by the pool. You will see a tent near the circled area – that is where the trial secretary, Katlynn, will be located.

PLEASE NOTE: There will be an **agility trial in the building and Fast CAT behind the building**. On Saturday we have a small trial so many of you may want to do some Fast CAT – they are accepting day-of-test entries and you register by going to mydogentry.com.

This is not a full trial so hopefully we will be done before the real heat sets in.

Check in will begin at 8:00. The General Briefing will be at 8:45, followed by Judge Wendy's briefing.

NO EXTENSION leashes or pinch collars on the grounds and no smoking.

Exterior runs for novice and advance levels will be on concrete **if possible**.

DO NOT let your dog pee on the outside of the building or the shrubs around the building OR NEAR our circle area; this is where our dogs will be searching.

MOVE UPS: If your dog titles during T1 and you want to "move up" to the next level, **let the judge know you will be moving up**. Immediately complete a Move Up form at the Trial Secretary's desk. If you move up from Advanced to Excellent, there will be a fee increase.

TRIAL ORDER

- Trials 1 and 2 will be running concurrently both days, meaning you will go from T1 to T2.
- If you would like a break between trials 1 & 2, let the gate steward know **AFTER** the judges' briefing.
- If you have questions, see the Gate Stewart.

BREAKS: There will be short breaks between classes while the judges place odor and take a break. We may be done before lunch on Saturday.

FAST FOOD RESTAURANTS: There are multiple fast food restaurants just five minutes driving time.

- Make a right out of Bratty Paws onto Taylor Road.
- At the signal light is a Wawa gas station.
- At the light, turn left for McDonalds, Arby's, Culver's, Burger King and Wendy's.
