Snooker is a two part game. In the opening you must complete the pattern of red - obstacle, three times. There are four reds on the course if needed. Once the pattern has been completed 3 times you may start the closing, which is a mini course. Scoring continues until the sound of the horn or, if any fault occurs. The handler must have the dog go through the stanchion of any knocked bars in the opening. Reds are worth 1 point, the other obstacles are worth the points labeled next to the obstacles.
