

Your entry was received before closing, and you have a spot in our March 21st CPE CSS trial.

#### 4 Paws Adrift Swim & Sniff Club Final Confirmation Information

Thank you for entering the March 21st 4 Paws Adrift Swim & Sniff Club CPE CSS trial at the Etchason Farm! (address: 7888 N. St. Rd. 9, Shelbyville, IN 46176) **PLEASE ENTER THE FARM FROM STATE ROAD 9!**

#### Food:

We will have a hot main dish for lunch. If you'd like to join us, please bring something to share!

#### Run Order:

**PLEASE NOTE THE ATTACHED RUN ORDER. We will start with Containers 1 & 2 and Interiors 1 all levels (L1-C); then Exteriors 1 & Vehicles 1 all levels—lunch break. Then Containers 3 and Interiors 2, and then finish with Exteriors 2, all levels. All Container 1 dogs should be available to start at 8:30. The two judges may break for lunch at different times.**

**Please note: Anytime we do back-to-back searches, if you feel it is too much for your dog, you may choose to do your first search and then go to the end for the next one.**

**As part of the online entry system we used for this trial, we will be using Real Time Run Order on the day of the trial. You can access the run order to see what dog is running at <https://gate.mydogentry.com/runorder/index> . **DO NOT PAY ATTENTION TO ESTIMATED RUN TIMES!** The software is optimized for agility, so the times are not correct for CPE CSS! Please have your dog pottied and ready to SNIFF when there is one dog waiting to run ahead of you. Remember, some dogs may only be running one round of an element.**

#### Workers:

Please volunteer to help. Lunch, snacks, and water will be provided for workers. If you can come early or stay late, that would be great. Please use the Scent Work Worker Schedule to sign up to help!

#### Ribbons and results:

Results will be posted for you to take a picture of and will also be emailed at the end of the trial. Ribbons will be placed out on a table. There WILL be stickers at this trial. A note about Stickers! So the stickers are personalized for your dog. Find the sticker with your dog's name on it. The sticker will tell you the class (such as Containers level 1 round 1), your time, and your place. There will potentially be two stickers for you since a sticker will be printed for each qualifying score and each placement (1st-4th). CPE requires that any discrepancies be

addressed before the end of the trial, so please see the secretary about any discrepancies before you leave the trial site.

#### Crating/Parking:

We will have a crating space in the old section of the barn for dogs that can be crated quietly. The floor is concrete, so be sure to bring a crate mat for your dog's comfort. Please check the weather and dress accordingly, as the barn is not climate controlled. Parking will be on either side of the driveway next to the barn.

#### Human & Dog Potty Areas:

A Porta Potty is located near the Barn. Grassy areas are available for pottying your dogs. Please use the grassy areas adjacent to the driveway. **Please do not allow your dogs to urinate on the building or any equipment.** Remember to pick up your poop - there is a garbage can near the barn/next to the portapotty!

#### General Info:

Dogs must be on leash at all times. The property runs along State Road 9, which is VERY busy. Please stay in mowed/marked areas - no dogs or humans in the surrounding fields or near the residence. Please be respectful of the area around the house and the resident dogs. Electric collars and shock collars are not permitted on the premises.

The General Briefing will be at 8:15 am with the first classes starting as soon after as possible - by 8:30 am.

#### Rings inside the Barn:

Containers 1, 2 & 3 and Interiors 1 & 2

#### Rings outside:

Exteriors 1 & 2 and Vehicles 1

Directions: PLEASE NOTE, GPS will try and route you to N 75 East to enter the farm.
