

JACKPOT LEVELS 1/2/3/5/C

OPENING:

You may do all obstacles twice for points. Back-to-back obstacles, including contacts, are fine if done SAFELY.

The finish jump is live after the first horn and will stop the time and your run when the dog takes it. It does not stop time before the first horn and is worth 1 point if done successfully in the opening.

You may not do any 2 consecutive jackpot obstacles (2-4; 4-2; 4-6; 6-4; 6-8; 8-6) in sequence in the opening; it negates your Jackpot.

Level 1 - 32 points

Level 2 - 36 points

Level 3 - 40 points

Levels 5, C - 44 points

Enthusiast/Specialists 2 pts less

5 points = dogwalk, aframe, seesaw

3 points = tunnels, weaves, and double jump

1 point = jumps

Small Dogs:

Opening = 35 sec. Closing = 20 sec. Total = 55 sec

Big Dogs:

Opening = 30 sec. Closing = 18 sec. Total = 48 seconds

JACKPOT SEQUENCES:

You and your dog have not started the Jackpot until your dog takes #2 in the correct direction. Once the Jackpot has been started, you may not cross the line or incur any faults.

Level 5 - circles & green dotted line

Level 3 - squares and blue dashed line

Levels 1 & 2 - squares and pink solid line

REMINDER: The 2nd horn is set for 6 seconds beyond SCT. If you hear it, please proceed directly to the finish jump. You may be overtime even if you do not hear it.

SMILE at your dog and have fun! Good luck!
