Trial Site Rules

- Orchard Hills is located on private property and is NOT open to the public outside of trial hours. DO NOT arrive at the trial site prior to stated times. Waiting in the driveway or on Church street is not allowed. If you find yourself arriving early, there is a Turkey Hill and a Wawa North on 100 and a Redners and Dunkin Donuts South on 100
- Please respect property boundaries.
- There are sheep pens available for off leash exercise of dogs.
- Music may be played during walkthroughs and lightly during running of classes.

Helpers

We can't do it without volunteers!!!! Please come prepared to work.

Equipment – Launch the Dog and/or Galican jumps, ascending spread jump, long jump, tire, wall jump, rubberized contacts and electronic timing will be used. Dogwalk will be used only on Friday. There will be no dogwalk in the Saturday classes.

Bitches in Season -

May run at this trial. To be able to run a BIS, you must immediately tell the trial secretary who will mark BIS on the running orders. For Senior/Champ and Masters Series, the BIS will remain in their running order. For Beginner/Novice and all DASH classes, the dog will run at the end of the class, regardless of height. If the dog is not wearing BIS pants, they will start on a mat provided by the show. It is the handler's responsibility to ensure the mat is available for their runs. The handler/owner acknowledges the inherent risk of running a dog on an agility course with BIS pants on and assumes all risk by doing so, and also the potential risks with slips from starting from a mat.

Crating info

There will be indoor crating on the turf area in front of the ring. Alternatively, you may crate out of your vehicle.

Measuring Dogs

Please ensure you understand the criteria regarding dogs being measured. Refer to the current edition rule book which can be found on the UKI web page. [UKI 11th Edition Rule Book.pdf](#) A summary of the rules can also be found here [Measuring - jump heights](#)

If a dog is under 3 and newly registered, a temporary measure or proof of the dog's height must be done by the dog's 3rd trial. A permanent measure must be obtained by a UKI official measurer between 12-18 months after the dog's first/ temporary measure. Any registered dog that only has a temporary measure, must follow the above rule. If a newly registered dog is over 3, they must obtain a measure by an official UKI measurer by their 3rd trial and this measurement will be permanent.

Level Move-ups

Exhibitors are responsible for tracking their dog's points in each of the two UKI programs and must move their dog to the next eligible level on the following day of a multiple-day trial once sufficient points have been earned. Competitors must notify the trial secretary on the day their dog gains enough points to move up in a particular program. Exhibitors may log into their UKI account to confirm and tally points. Please consult the UKI rule book for detailed information on level requirements.
