# Jackpot 5 & C

## Briefing

This is a Traditional Jackpot. In the opening, teams run a path of their choosing to accumulate points. Everything may be taken twice successfully for points. Back to back obstacle performance is permissible as long as it is done safely. No two sequentially numbered gamble obstacles may be performed during the opening or you will negate your gamble. The start line is bi-directional.

Opening points as follows:  
 1 point: Single Bar Jumps, Panel Jump  
 3 points: Tunnels, Weaves, Double Jump  
 5 points: AFrame, Dog Walk, Jump Combo (in flow)

The horn will signal the start of the closing. Dogs will then need to complete 2-4-6-8 while the handler stays on the other side of the gamble line.

To qualify, teams must earn enough total points and complete the gamble within the allotted time. Remember! The second horn will not sound until 6 seconds after your allotted time, but completing the gamble one full second over time will result in an NQ.

	Opening Time	Closing Time
16"/20"/24" plus 16"V	35 sec	20 sec
4"/8"/12"	40 sec	22 sec

Points for Reg/Vet  
 Level 5 and C 44 points.  
 Enth/Spec need 2 fewer points.
