Class Descriptions

Tournament Class Rules & Descriptions

Tournament classes are open to all competitors, regardless of previous experience. Tournaments are held to test a competitors training and performance skills in head-to-head competition. One or more of the following tournament classes may be held at this event:

- **Purina® Pro Plan® Grand Prix of Dog Agility®**

An individual competition on a standard agility course to earn qualifications towards entry to Cynosport®. At a regional championship, competitors compete through two progressive rounds to name a Regional Champion. A direct entry to a Regional Final may be earned in this tournament by earning qualifications at local qualifying events. (see tournament regulations for more details)

- **Purina® Pro Plan® Dog Agility Steeplechase®**

An individual competition on an enhanced jumpers-style course that includes both an A-frame and weave poles to earn qualifications towards entry to

Cynosport[®]. At a regional championship, competitors compete through two progressive rounds to name a Regional Champion and to compete for prize money.

- **Purina[®] Pro Plan[®] Dog Agility Masters[®] Team**

A Team competition, offered locally as either a two-dog or three-dog team, to test versatility and endurance through the five core class types in USDAA rules & regulations. Offered in both formats at Regional Championships and at Cynosport[®], all competitors compete against others in their respective height divisions in the individual classes, and their score from either the 2-dog or 3-dog relay is added and then aggregated with team members to name a 2-dog and 3-dog team winner. Competitors may not compete with the same dog in both the 3-dog and 2-dog tournaments when offered together. Compete at local and regional events to earn qualifications towards entry to Cynosport[®].

- **Purina[®] Pro Plan[®] Masters Challenge BiathlonSM**

An individual competition on open, fast standard and jumpers courses to earn qualifications towards entry to Cynosport[®].

Rules for all tournaments may be downloaded from the Internet at <https://usdaa.com/regulations/tournament-rules.cfm>, and are incorporated here in their entirety by reference. The rules include important disclosures on eligibility and advancement, start and end dates for the current tournament season qualifying period, information on special prizes and awards, advancement rules for each tournament at Regional Championships and Cynosport[®] championships.

Qualifications in local qualifying tournament classes also count towards versatility titles (e.g., Tournament MasterSM, Agility Dog Champion[®] and Lifetime Achievement Awards. (see USDAA Rules & Regulations for full details.)

When the Biathlon is offered at local and regional events, unless otherwise disclosed in the test schedule, the two classes combined in the Biathlon (i.e., Masters Challenge Jumpers and Masters Challenge Standard Agility) are also concurrently scored for titling purposes pursuant to rules set forth in [Chapter 12 of USDAA Rules & Regulations](#), which are incorporated here in their entirety by reference. Qualifying scores earned in each round of the tournament are recorded for tournament, title, and lifetime achievement awards.

Titling Class Rules & Descriptions

One or more titling classes may be held at this event to test development of competitor skills and training and handling at different experience levels, as described in [Chapters 3–12 of USDAA Official Rules & Regulations](#), which are incorporated here in their entirety by reference. These can be reviewed and/or downloaded from www.usdaa.com/regulations/usdaa-rules-and-regulations.cfm. Following are informational notes that are included in more detail in the regulations referenced above:

Veteran Classes

One or more veteran classes may be offered at this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged as course challenges are presented at the Masters level.

- Veteran Classes are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event.
- A dog entered in a Veterans titling class on a day may not be entered in that same class in the Championship or Performance Programs. Complete program rules can be found in USDAA Chapter 11 referenced above.

Pairs Relay—Combined

Pairs Relay titling classes are held on a "Combined" basis, meaning that experienced dogs (Masters and/or Advanced levels) can be pair with dogs working in lower class levels (Advanced and/or Starter level) and vice versa for titling purposes. Competitors with dogs in either program (championship/performance) in any level may also enter together. Qualifications earned count towards titles at all levels.

- As of 2025 dogs in either Performance or Championship programs may run together in "Combined Relay"
- When offered, Pairs Relay will appear on the Entry Form and Class Schedule as "Combined Relay".
- This combined approach to Pairs Relay is in keeping with a primary purpose of the Relay class in promoting camaraderie in working a course with a partner (amendment to regulations effective April 2020).
- A Combined Relay class is run on an Advanced level course and scored under Advanced level rules, and the Qualification is valid for any level title.
- When entering a Relay class, simply complete the form marking the appropriate Program and list a partner of choice by including the owners name and their dog's registration number.
 - Alternatively, you may enter as a "draw" team when you do not have a partner and are willing to run with others. Your partner will be drawn from other draw entries at any level in either program.
 - A group may pair a competitor with an "accommodating dog" (i.e., one who is not entered in the class) when an odd number of competitors are entered, but the group is not required to do so. In this latter case, a refund of entry fee will be made.
- When a second offering of the class (indicated "2nd run" on the Entry Form) is to be *run on the same course*, each handler runs their chosen portion of the course, and immediately following the first run, competitors run a second time with each running the other section of the course previously run by their partner.

Entries & Acceptance

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

General Rule on Eligibility

("USDAA") and is open to all persons with dogs being at least 15 months of age (14 months of age pursuant to Chapter 10 for Intro Program when offered OR for Sanctioned Match), regardless of pedigree or absence thereof, who have a current registration with USDAA and whose owners and the dog's handler are currently in good standing with USDAA.

This event will be held under USDAA® Official Rules and Regulations, as amended as of the event date. A copy of the regulations and any any amendments may be viewed and printed online at [USDAA Rules & Regulations](#).

Unless otherwise stated in a separate provision below, the Group or Club hosting this event ("Event Host") has no obligation to refund fees paid for entries withdrawn after the published entry closing date, whether due to being absent, dismissal from a class or the event as a result of disciplinary action, or for any other reason; nor shall there be any obligation to refund entry fees if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, weather, or other "acts of God", public emergency, strike, or any other cause beyond the control of the Event Host.
