Jackpot 1,2,3,5,C

Today's Jackpot is a non-traditional jackpot. There are 3 possible gambles that may be completed. You may successfully complete 2 for points. The finish jump is worth 5 points one time only at the end of the run. First time over the first gamble obstacle in the correct direction starts the gamble. You may attempt your gambles at any time during your run. You will continue to accumulate points after the first horn.

Gambles:
 Circle 1,2,3 = 15 pts behind dotted line
 Circle A, B, C, = 20 pts
 Square 1, 2, 3, 4 = 25 pts behind dashed line
 Obstacle point values are:
 1 point: bar jumps
 3 point: tunnels, weaves and double.
 5 point: Teeter, A frame
 A - B Combo, in flow
 7 pt- Double first time if successful.

Your dog must take the finish jump to stop time. Finish jump is worth 5 points if successful at the end of your run. You must complete at least one gamble and get the necessary points for your level to qualify. The Start Line is NOT Bi-directional.

Times:
 4, 8, 12, 35 + 20 = 55
 16, 20, 24, 30 + 18 = 48
