Snooker Levels 1 & 2

Opening: All obstacles are bidirectional.

Reds can only be used one time each; numbered obstacles can be used multiple times. 4th red is available if dog knocks a bar on a red.

Closing: Jump #2 and Jump #3 are bidirectional; both may be taken in either direction. All other obstacles must be taken in the order and direction shown.

The Table becomes live to stop the clock when you have completed your opening, after the horn, or when you direct your dog to it. Please do not leave your dog on the table while leashing up.

4/8/12 - 55 seconds 16/20/24 - 50 seconds

Please enter at horn or whistle, or when previous dog at Tunnel #6 in closing.

Snooker Levels 3,5,C

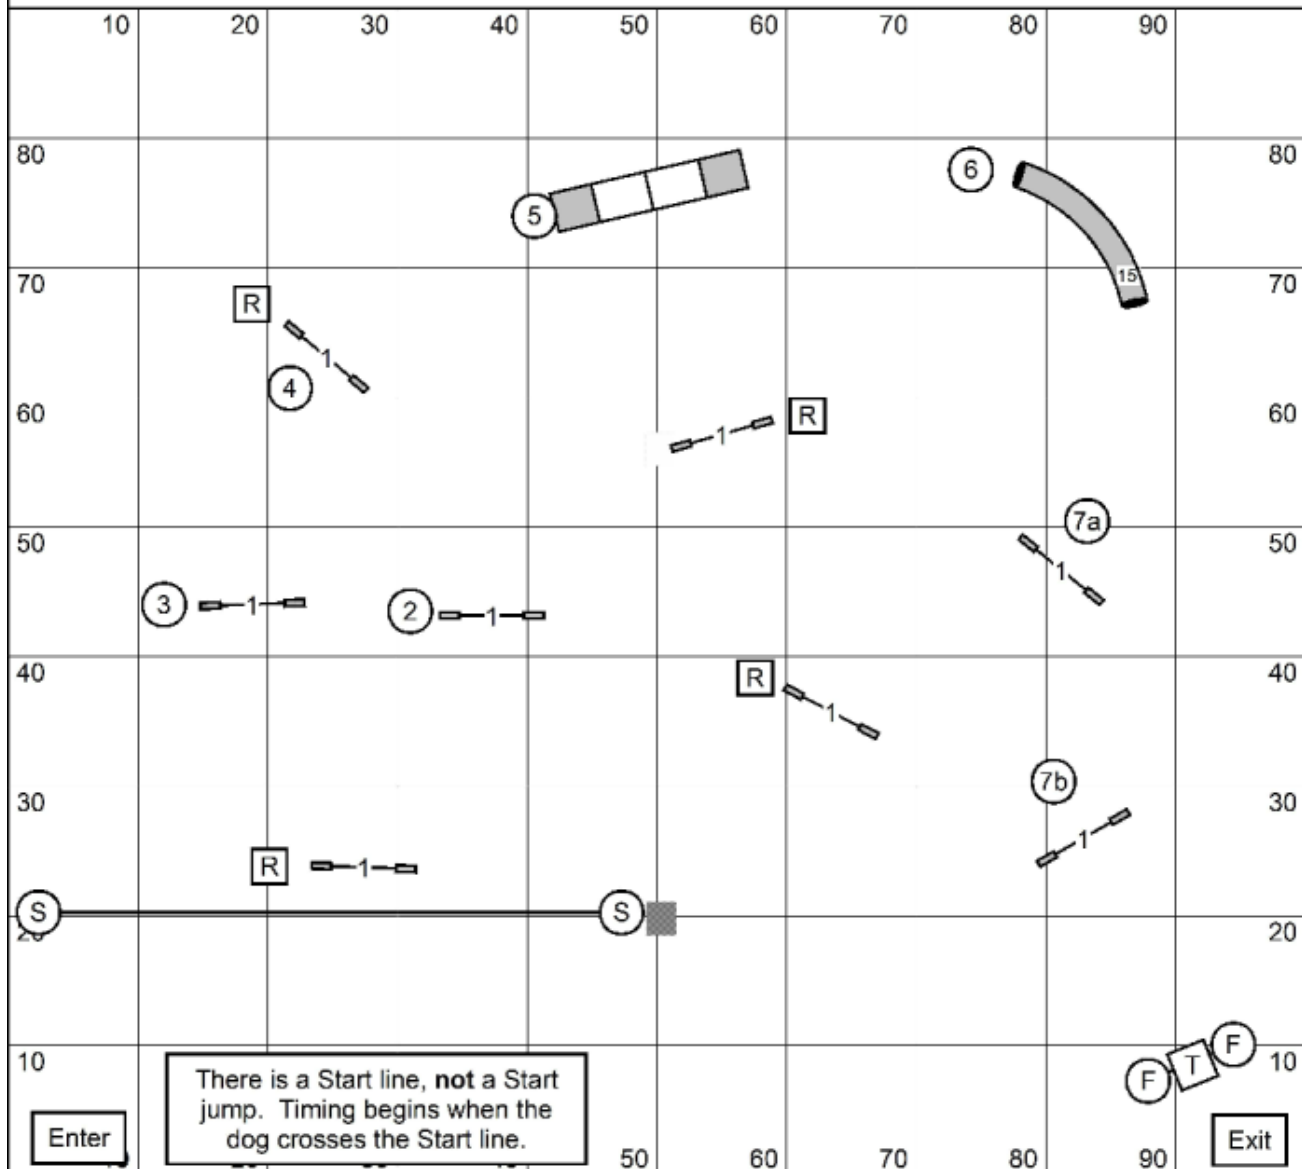

Opening: All obstacles are bidirectional. Elements in Combo #7 may be taken in any order, direction, and flow; all parts must be attempted, even if one is faulted; taking any element twice during any attempt will cease scoring.

Reds can only be used one time each; numbered obstacles can be used multiple times. 4th red is available if dog knocks a bar on a red.

Closing: Jump #2 and Jump #3 are bidirectional; however, Jump #3 must be taken in the same direction as Jump #2. All other obstacles must be taken in the order and direction shown.

The Table becomes live to stop the clock when you have completed your opening, after the horn, or when you direct your dog to it. Please do not leave your dog on the table while leashing up.
