### Course Maps

- Course maps will be posted online at My Dog Entry and emailed to all competitors each night before each trial day. For example, Friday’s maps will be emailed Thursday night. We will not have copies at the trial. We will post maps for you to take pictures with your phone.

### Important Trial Information:

- A previous email contained information regarding your entry. **It is your responsibility to check this information carefully and notify the trial secretary of any errors as soon as possible.** Most errors cannot be fixed on the day of trial. Please email me at [emactrials@gmail.com](mailto:emactrials@gmail.com) if you need something fixed.
- Parking: Please follow all No Parking signs posted by the Topsham Fairgrounds crew. You will be asked to move if you park in a no-parking zone. Please respect our volunteers, who are simply relaying fairgrounds rules.

- Bait and toys must be at least ten feet from the ring. Use the “bait baskets” provided just outside the gates to store your bait bags.
- All exhibitors must pick up after their dogs in all areas of the fairgrounds. Please use the trash cans for dog pick-up.
- Crating: There will be a small amount of shaded crating space for quiet dogs under cover in the green building, where ribbons will be available for pick up. Please bring EZ-ups and shade cloth and water for your dogs.
- Special Note for Campers: If you are camping, please bring extra splitters, hoses, and RV extension cords.

### **General Trial Information:**

- **Food:** There will not be a food vendor on site. There are restaurants and a grocery store near of the trial site.
- **Water:** To “go green” and use less plastic, EMAC will not provide bottled water at this trial. We will provide a large container of water (Spring water, not from the fairground faucet) so that you can fill your own water bottle, so BYOWB!
- The snacks are free to Volunteers and for purchase through donations by others.
- **Saturday night** – Sign up to bring one of our suggested items or add your own specialty dish for a **Saturday Night Potluck!** Dinner will begin approximately 45 minutes after the last dog finishes their run! [Click here to Sign Up.](#)
- **Please volunteer to work.** For this trial to run quickly and smoothly, we need your much-appreciated efforts. We posted the workers’ schedule/Volunteer Sign Up Sheet below. You can also find the link on our Facebook Page.
