

CPE CSS Trial –July 18, 2026

AgileDogs at JAZZ, 37 South Greenfield Road, Greenfield Center, NY

Thank you for entering our AgileDogs CPE CSS Trial!

We are excited to announce that we have a new paved driveway!!! However, it is only about 10 days old, so PLEASE, PLEASE follow these rules so that you don't harm the still curing pavement: Do not move any cones and follow only paths that are marked with cones and/or caution tape on both sides to drive on and off the pavement. We are restricting where you drive onto and off of the paved areas so that you have only a straight exit from the one area to another. Do not stop on the pavement and then turn your wheels before moving again; you may turn your wheels as long as you are in motion.

There is no parking on the new pavement for this trial. Because the handicap parking is usually along the training building, the parking closest to the training building will be reserved for handicap handlers only. We have several people entered who will need these spaces. The only parking will be on the grass so please be courteous. If you have any questions please see Bob or Trisha. Thank you !!!

General site rules:

The site opens at 7:00 AM, please do not arrive before then.

This is a private residence – please respect and do not walk your dog near/around the house or pool fenced in area behind the house. The house and areas surrounding it are often used as search areas along with the pool area. The pool area is NOT for you or your dog to swim in. If we find anyone using the pool they will be excused from the trial and no refund given.

Trash cans will be located in several locations throughout the site. There will be one blue recycle trash can, please only put recycle cans, bottles, paper and plastic in this can.

Clean up after you and your dogs – please!

There will be no food vendor at this trial. Please bring your own snacks, drinks, and lunch if desired.

Crating: there will be no crating in any building because we will be using both buildings for searches during the trial. Please plan to crate out of your car or in xpens/crating beside your vehicle. There is plenty of shade to park in at the site.

The scoring area will be in the house; results and ribbons will be posted in the garage next to the house. Please check your results before leaving the trial. Once the results are sent to CPE we are unable to correct any errors no matter who is at fault. Please do not bring your dog into the garage when checking your scores or getting ribbons. Also, if you have to enter the house (to ask a question of the score table or secretary or bring over score sheets), please do not bring your dog with you as there will be many loose dogs in the house.

DAY OF SHOW ENTRIES & CHECK-IN: We only have a limited number of runs available for day of show. If you know anyone who is planning on doing day of show have them email me right away to reserve a spot.

We will run this trial by levels so that you don't have to stay on site all day if you are in just one level. Here is the schedule for this trial: Please remember that many things can cause the trial to run slower than expected so these times are an estimate. We will not start a class before these times.

SATURDAY

Levels 1 - briefing 7:30

Level 2 - arrive by 9:00

Levels 3 - arrive by 11:15 AM

Level 5, C arrive by 2:00 PM

We need workers! Because of the nature of CSS trials in that you can't watch or work a class that you're in, we ask if you're interested in working a different level class then you are entered in, please let us know. For each class we need a timer, gate steward, and cold box helpers (to rearrange objects without odor in them per the judge's instructions). If you can come to a level before what you are entered in, or stay after your level is done to work the next class, it would be much appreciated. Trials can't happen without volunteers 😊 Please contact Trisha at agiledogs@outlook.com if you can help

Directions to AgileDogs at JAZZ:

From any direction: take I 87 (Northway) to exit 15. At the exit ramp take Route 50 South toward Saratoga Springs. Continue on Route 50/9 for 2.4 miles, bearing right to stay on 50. Van Dam Street becomes Church St. (Route 9N) out of Saratoga Springs. You will go past the Saratoga Hospital and a medical complex on the right. Continue for approximately 5 miles. You will eventually come to the little village of Greenfield Center. At the traffic light (the town hall is on the right) turn left onto South Greenfield Road. Go up a little hill, down the hill, and then on the right you will see 2 yellow arrow signs; just past that on the right is the driveway for JAZZ. You will see a yellow "caution boy" just before the driveway. Drive up the paved driveway past a large white house.

See you soon, and good luck!

Trisha, Bob and Chris
