AGILITY TRIAL

July 23 – July 26, 2026

TRIAL INFORMATION

The Burlington Obedience Training Club is pleased to have you join us for our July 2026 Agility Trials at The Field House in Shelburne, Vermont. We're looking forward to having you with us for the weekend and trust you will find the following information helpful. If you need additional information, please feel free to email us at Agility@BOTCVT.org. If you prefer, you may call Marty's cell phone (802-343-2901) and leave a message (Please be sure to speak slowly, clearly and leave your name, phone number and the time you called).

Final Confirmation - By now you have received an email with your final trial confirmation information for you and your dog(s).

Course Maps - Daily course maps for handlers will not be printed. Copies of course maps will be posted at the Field House each day.

At approximately 1:00 AM each morning, course maps for the day's classes will be posted for downloading as a single PDF file at My Dog Entry (<https://mydogentry.com/public/trials?p=c> ...then click on the BOTC trial).

Thursday Schedule - **THURSDAY'S TRIAL WILL START AT 10:00 AM.** Thursday's Trial running order will be Tall to-Small dogs. See the Judging Schedule at the end of this information for the full schedule including Class Briefings and Walk-Thrus.

Thursday Agility "B" Match - BOTC will be offering a "B" Match after Thursday's Trial as part of this weekend's activities. Please see BOTC's website (www.BOTCvt.org) for Match information and an entry form. Sign-ups will occur during the day on Thursday.

Friday/Saturday/Sunday Schedule

Friday, Saturday and Sunday's Trials will start at 8:00 AM each day.

Friday's Trial running order will be Small-to-Tall dogs.

Saturday's Trial running order will be Tall-to-Small dogs.

Sunday's Trial running order will be Small-to-Tall

Parking - The Field House also houses an athletic club and a bike touring company. The athletic club is fully open for business and the bike touring company has tours that start and end at the Field House.

RV Parking - RV's will park in the north parking area, immediately adjacent to the Field House.

The rest of us can park anywhere in any of the 3 lots EXCEPT:

- On the shoulder of the road or on the grass. The ground is often soggy and if you sink in, you might need a tow truck to get out. You will be responsible for any damage to the lawn.
- Spots labeled for use by the bike touring company.

We reserve the right to ask you to move your vehicle if you park in the wrong location.

Set Up

- Thursday - The building will open at 9:00 AM for exhibitor set up.

We'll be unloading Max 200's equipment and setting up the ring starting at 8:00 AM and could use a hand if you can help.

Please be careful when unpacking your vehicles and crossing the driveway as Thursday and Friday are business days and the athletic club can be a busy place in the morning.

- Friday, Saturday and Sunday - The building will open at 7:00 AM.

Measuring - All dogs without a jump height card will need to be measured. There will be a VMO at the trial all three days. See Tom O'Brien if you need to have a dog measured.

Those dogs competing without AKC height cards ("temporary" or at least one, yellow "permanent" height card) will need to be measured by the Judge of Record or the VMO before each dog's first run of the weekend. Please plan to arrive onsite at least 1 hour prior to the start of your class to allow plenty of time for measuring.

Dogs between 15 and 24 months old only need one measurement and receive a "Temporary" height card that allows them to compete without further measurements until they turn 2 years old.

Once a dog turns 2 years old, the measuring process starts again but this time each dog must be measured at least twice by two different VMOs or AKC Reps.

Dogs over two years old that already have the first of the required 2 permanent height card measurements will need to be measured for their second measurement at some time over the weekend. Please check with the VMO to schedule a convenient time for both of you.

Bathrooms - The Field House has restrooms and showers. These are open and available for our use. We will re-sign the Men's Restroom as a Gender Free Restroom. The Women's Restroom shall remain exclusively Women.

Crating - You have the option of crating from your vehicle or within the designated crating area inside the building. Please respect the aisles and try to keep your crates and other belongings fairly compact. Xpens can only be used if you are crating multiple dogs. If crating from your car, please don't expand into or block adjacent parking spaces. Also be sure that adequate ventilation is provided for your dog(s).

No crates are allowed anywhere near the in and out gates, practice jump, or scorekeeper table.

Volunteers - Agility trials run because we all volunteer to help. There will be a daily raffle with great prizes for our volunteers. Raffle tickets can be found by the volunteer signup sheet and available prizes. We will provide water, coffee, tea, snacks and munchies for volunteers.

An online volunteer schedule has been posted. The schedule can be found by following the link on the BOTC Website (<https://www.botcvt.org/agility>) or by pasting the following URL into your web browser: <https://docs.google.com/spreadsheets/d/1cIEApY-FDSoBE9rzXbZrKSVvmNFw5IOOnLseKMnA1vwA/edit?gid=444974517#gid=444974517>.

Food - **There will not be a food vendor onsite.** There are a number of small restaurants and take-out locations in Shelburne Village. There's also a Dunkin Donuts and ice cream scoop shop and sandwich shop about a mile north of the site on Route 7. BOTC will have information available about these locations.

Food is not allowed on the artificial turf areas of The Field House. There is seating/eating area on the Mezzanine overlooking the Trial Area and there is additional seating on the main level of the Field House building.
