

FullHouse L1235C

FullHouse is a point accumulation game.
You earn points by successfully completing obstacles.

Point Values

Single Bar Jumps	= 1 Point
Panel Jump, Tunnels	= 3 Points
Jokers	= 5 Points

In addition to earning the minimum points for your Level, teams must also do the following "required obstacles":

Three (3) 1-Point Obstacles
(Single Bar Jumps)
Two (2) 3-Point Obstacles
(Tunnels, Panel Jump)
One (1) 5-Point Obstacle
(Jokers)

* Note: Obstacles can be taken twice for points. Doing an obstacle back-to-back must be done safely.

Qualifying:

- Complete the "required obstacles".
- Earn enough points for your level
- Do so in the allotted time (see below)

* Note: The Finish is live at all times and will end your run, even if your dog accidentally goes to it. You can also go to Finish at any time to stop the clock. Point accumulation will stop after the horn sounds. Teams then have 5 seconds to get to the Finish, after which time you will lose 1 point for every full second over time.
