

Your entry for the following dog was received before closing, and you have a spot in our CPE CSS trial. Please note that we have added a third judge (Erica Etchason) to keep the trial running smoothly and, hopefully, finish earlier. Containers 1 & Vehicles 1 will run first from L1-C. Containers 2 & Exteriors 1 will run starting approximately 15 minutes later. Exteriors 1C will run first, followed by Exteriors L1-5 & Containers 2 L1-C. Vehicles 2 & Exteriors 2 will follow. Vehicles 2C will run first, followed by Vehicles 2 L1-5 & Exteriors 2 L1-C.

Ribbons and results:

Results will be posted for you to take a picture of and will also be emailed at the end of the trial. Ribbons will be placed out on a table. There WILL be stickers at this trial. A note about Stickers! So the stickers are personalized for your dog; find the sticker with your dog's name on it. The sticker will tell you the class (such as Containers level 1 round 1), your time, and your place. There will potentially be two stickers for you since a sticker will be printed for each qualifying score and each placement (1st-4th).

Crating/Parking:

Please plan on crating out of your vehicle. Parking will be on grass to the left of the driveway (it will be clearly marked).

Human & Dog Potty Areas:

A Porta Potty is located near the driveway. Grassy areas are available for pottying your dogs. Please use the grassy areas adjacent to the driveway. Please do not allow your dogs to urinate on the buildings. Remember to pick up your poop - there is a garbage can near the porta-potty!

General Info:

Dogs must be on leash at all times. Please stay in mowed/marked areas - no dogs or humans in the surrounding fields or near the residence. Please be respectful of the area around the house and the resident dogs. Electric collars and shock collars are not permitted on the premises.

The General Briefing will be at 8:15 am with the first classes starting as soon after as possible - by 8:30 am.

Run Order:

We will be using Real Time Run Order on the day of the trial. You can access the run order to see what dog is running at <https://gate.mydogentry.com/runorder/index> . DO NOT PAY ATTENTION TO ESTIMATED RUN TIMES! The software is optimized for agility, so the times are not correct for CPE CSS! Please have your dog pottied and ready to SNIFF when there is one dog waiting to run ahead of you. Remember, some dogs may only be running one round of an element.

The tentative run order can be found at <https://mydogentry.com/public/trials/692>.

Start 8:30 AM Judge Markoff - Containers Round 1, Vehicles Round 1 Level 1-C all elements, followed by Level 2 all elements, followed by Level 3 all elements.

Start 8:45 AM Judge Etchason - Exteriors Round 1 (LC, 1-5) followed immediately by Containers Round 2 (see Judge Jones).
Judge Jones - Containers Round 2 (L1-C)

Start after Containers Round 2 & Exteriors Round 1 are completed.
Judge Etchason Vehicles Round 2 (LC, 1-5) followed immediately by Exteriors Round 2 (see Judge Jones).
Judge Jones - Exteriors Round 2 (L1-C)

Please note: Anytime we do back-to-back searches, if you feel it is too much for your dog, you may choose to do your first search and then go to the end for the next one.
