

Thank you for entering the AgileDogs Speedway trial. We are excited to be hosting another fun day of Speedway!

We still have a few restrictions for our new paved driveway and parking lots. Do not move any cones and please follow all paths that are marked with cones and/or caution tape on both sides to drive on and off the pavement. There is no parking in the area of the playpen.

**The handicap parking will be back along the training building, the first 2 spots on the right. However, if you park there you cannot run your car during the day. We are not allowing people to run their cars during the day on the paved lot. We encourage parking on the grass so please be courteous of your neighbor. If you have any questions please see Bob or Trisha. Thank you !!!**

**Please do not arrive before 7:30AM. The site opens at 7:30. Measuring and day of show entries 7:30-8:00. General briefing 8:00 followed by first class briefing and walk-through.**

This is a private residence – please respect and do not walk your dogs near/around the house or pool fenced in area behind the house. The pool area is NOT for you or your dog. The owners have dogs that are not entered in the trial and have access to the fenced in areas around the house. You can be excused from the trial and no refund given. Please maintain a 10 foot distance from the ring fencing with your dog. We have zero tolerance for dogs peeing on the fence posts when being walked to the ring. There are many places to walk your dog on the property. Clean up after your dogs – please!

Parking – there are many shady areas on the grass that are not far from the ring.

Trash cans – will be in several locations throughout the site. There will be one blue recycle trash can, please only put recycle cans, bottles, paper, and plastic in this can.

There will be no food vendor at this trial. Please bring your own snacks, drinks, lunch. Limited bottled water will be available for volunteers and will be in a cooler ringside.

There is no crating of dogs in the training building. You may leave your chairs and crates in the building overnight if you wish.

Course maps will be posted on MyDogEntry the evening before the trial.
