

Thank you for entering the AgileDogs August CPE trial !

We still have a few restrictions for our new paved driveway. Do not move any cones and follow only paths that are marked with cones and/or caution tape on both sides to drive on and off the pavement. There is no parking in the area of the playpen.

The handicap parking will be back along the training building, however if you park there you can't run your car . We encourage parking on the grass so please be courteous. If you have any questions please see Bob or Trisha. Thank you !!!

There are no day of show entries for this trial but we are happy to take late entries and additional runs up to Thursday evening.

General site rules:

Please do not arrive before 7:00AM.

The Speed limit on the property is 5MPH

This is a private residence – please respect and do not walk your dogs near/around the house or pool

fenced in area behind the house. If we find anyone in the fenced in area by the house or pool they will be excused from the trial and no refund given. Please maintain a 10 foot distance from the ring fencing with your dog. We have zero tolerance for dogs peeing on the fence posts when being walked to the ring. There are many places to walk your dog on the property. Clean up after your dogs - please!

Parking-Parking is tight at the site but there are many shady areas that are not far from the ring. There is no parking in the area of the agility ring except for committee members. . Please do not block the double gates or marked entrances to the lawn.

There is no crating of dogs in the training building. You may leave your chairs and crates in the building overnight if you wish.

To keep the trial moving and also because of space limitations, we ask that videos and photographs be taken from outside the ring. There are many great spots for videos and of course you are welcome to take photos in the ring with your dog during course builds and walk throughs. If you need assistance, please ask us.

Trash cans – will be in several locations throughout the site. There will be one blue recycle trash can, please only put recycle cans, bottles, paper and plastic in this can.

Scores will be available in the training building. Please do not bring your dog with you to check scores.

I know this is a lot of rules. We want everyone to be safe. But we also want EVERYONE TO HAVE FUN and to enjoy our trial and AgileDogs at JAZZ!

Course maps will be available on My Dog Entry at 5PM the evening before each trial day. No maps will be emailed and individual course maps will not be available at the trial. Maps will be posted in the training building. Results will be uploaded to My Dog Entry at the end of the day. The internet doesn't always allow us to upload results after each class..

There is no food vendor for this trial. Snacks and water will be provided for workers.
