JACKPOT 1, 2, 3, 5, C

Non-Traditional Jackpot!!

Obstacles may be done twice for points, and are reset in the closing period. Back to back performance of any obstacle is fine as long as it is done safely.

At any time during your run, your dog must TWICE successfully perform a 5, 3, and 1 point obstacle in that order. This sequence can be done in either the opening or closing, and may be started in the opening and finished in the closing. The sequence does not have to be done back to back (i.e. you can do it early in your run, then later in your run).

The finish jump is live after the first horn sounds and is worth 5 points and stops your time. You must take this jump before the time is up in order to Q.

Times: opening 35/40 seconds, closing 18/20 seconds

Points needed to Qualify:

Level 1 - 32 points
Level 2 - 36 points
Level 3 - 40 points
Levels 5, C - 44 points

Subtract 2 points for enthusiast/specialist
