Parking

There is ample parking near all buildings. Moving or rearranging any type of Run Wild property in order to customize your own personal parking spot is not permitted. Parking in the RV spots is not allowed.

Day-Of Entries

Day-of entries will be accepted until 7:30am on Saturday and Sunday at an additional cost of \$3.00 per run above the cost per run in the premium.

Pay Prior to First Class

If you owe money, please see the secretary table prior to competing for the weekend. You are not permitted to run prior to paying.

Measuring / Height Cards

Measuring will be available each morning at 8:15 am. Your confirmation email will tell you whether you need to be measured or provide a permanent height card. If you feel there is an error, please show your height card to the show secretary, we simply may not have recorded it in our database. Your height card can be printed from your online USDAA account or saved as a picture on your phone. AKC height cards can be used to help you apply for a USDAA height card, but they are not a replacement for a USDAA height card.

Agility Gate

We will be using the Agility Gate app for tracking run order and progression of the show. Please download the App (it's free!) from here: <https://agilitygate.com/>. It's available for iPhone or Android, or you can use the web version. This will allow you to stay outside the building until it is closer to your time to run. Course maps will be available after 7 am each day. We will not be providing Wi-Fi. Our trial code is 7280.

Jump Height Schedule

We will run randomized jump heights on Friday for Teams. Check the last page of this letter for the schedule.

Course Maps / Results

Copies of course maps will be available in Agility Gate, and one copy will be posted in the building. Results will be posted in the building after each class is completed.

Volunteers / Worker Raffle

NEW: You can sign up for worker jobs in advance at <https://docs.google.com/spreadsheets/d/1oNzBFnRIUxY2NzktVFZxy8RE4PcVLqmbxLYXdar5NkM>. We will use this information supplemented by a whiteboard for ring worker sign up. Please add your name and pitch in! We will hold a workers raffle for free entries, as well as other treasures. There will be a last man standing raffle for two \$25 certificates at the end of the trial, so please stick around and help us load up the vans.

Food

There are several restaurants and food options within a fifteen-minute drive. There is water on site but no hospitality will be provided for exhibitors.

Crating info

There will be no indoor crating at this show. Please crate from your car, or you may set up on the grass hill opposite the building entrance. Please do not set up before Friday morning at 8am. There are hoses and kiddie pools that can be used to cool off dogs. Please pack shade cloths and fans along with plenty of water to help keep your dogs cool while crated in your vehicle.

Bitches in Season

BIS are allowed at this event. Please alert the trial staff as early as possible and mark BIS on the running order. You are responsible for bringing pants for your dog to wear on the turf as well as a mat for her to sit on at the start line.

Show Site Rules

Please mind your speed upon entry. The limit is 5 mph.

Please obey all signs, including not parking around the RV sites or blocking in RVs. Please follow the posted speed limits on-site. Dogs must be on leash at all times except at the warm up area and in the off leash paddocks or the big field on the south end of the property. Dogs should only potty in appropriate areas and never on anything man-made (the building, planters, signs, etc). Please remember to pick up after your dogs, and maybe grab someone else's forgotten turd for karma.
