The handler/owner acknowledges the inherent risk of running a dog on an agility course with BIS pants on and assumes all risk by doing so, and the potential risks with slips from starting from a mat

Measuring Dogs

Please ensure you understand the criteria regarding dogs being measured. Refer to the current edition rule book which can be found on the UKI web page. [UKI 11th Edition Rule Book.pdf](#) A summary of the rules can also be found here [Jump Heights | UK Agility International](#)

If a dog is under 3 and newly registered, a temporary measure or proof of the dog's height must be done by the dog's 3rd trial. A permanent measure must be obtained by a UKI official measurer between 12-18 months after the dog's first/ temporary measure. Any registered dog that only has a temporary measure, must follow the above rule. If a newly registered dog is over 3, they must obtain a measure by an official UKI measurer by their 3rd trial and this measurement will be permanent.

Level Move-ups

Exhibitors are responsible for tracking their dog's points in each of the two UKI programs and must move their dog to the next eligible level on the following day of a multiple-day trial once sufficient points have been earned. Competitors must notify the trial secretary on the day their dog gains enough points to move up in a particular program. Exhibitors may log into their UKI account to confirm and tally points. Please consult the UKI rule book for detailed information on level requirements.

- Any Q's / Byes gained must be the same handler that will run the dog at the Opens.
- A dog may only be handled by one handler throughout the whole event.
- Classes will be run in strict running order. Running orders will be randomly drawn for the first round of each class of Agility Biathlon, Masters Series Heat, Speedstakes Challenge and Games Challenge all consist of 2 rounds.
- Classes will be run under UKI rules and regulations with additional rules detailed below. Any further amendments will be posted and or announced in the event confirmation letter.

- No shows & NFC in any class except where noted differently in the individual class rules, will score 1000 faults.

The Cup's Overall Winner – Each jump height will produce the best scoring dog from the overall results for the following events of Agility Biathlon, Masters Heat, Games Challenge & Speedstakes Challenge.

The **Winner** will be granted an automatic spot into the **National Championship Final (Rd 3)** plus automatic entry into the **Masters Final** at the **US Open 2026 FLORIDA** and an automatic Bye into the **West Coast Open 2026 Agility Stakes Final**.

The Cup's Overall Reserve (the 2nd place dog in each jump height) will receive an automatic Bye into **Round 2** of the **UKI National Championship class at the US Open 2026 FLORIDA**.

All 4 Cup events: Agility Biathlon, Games Challenge, Masters Heat and Speedstakes Challenge must be entered; running all classes for competition to be eligible for the Cup's Overall Winner result.

The tabulation for the Overall Cup will be based upon the number of dogs entered within each jump height in each event. The winner of the event (i.e. Speedstakes Challenge) will receive the highest points, which is equal to the total number entered in that jump height. Example: If 12 dogs are entered in the 22-inch height in the Speedstakes Challenge then the winner will receive 12 points, 2nd place 11, 3rd place 10 and so on. All dogs entered will receive the points based upon their ranking, even if they are not eligible for the Overall awards

- Only one handler may compete with the dog throughout the entire event to be eligible for the Cup's Overall Winner tabulation.
- A no-show or NFC in either class will result in disqualification from that competition, including awards and entry into the Cup's Overall Winner result.
- Double Eliminations for each competition will not be placed in that event and will score 0 for the Cup's Overall Winner tabulation.
- If a dog obtains a double elimination in TWO events, they are no longer eligible for the Cup's Overall tabulation.
- In the event of a tie for the Cups Overall Winner, the Masters Series Heat placement will be the deciding factor and if necessary, followed by the Agility Biathlon, then Games Challenge.
- Should a dog win the Cup's Overall Result but had previously obtained this result at another Cup, the result will not move down to the next placed dog.

UKI Progression points

Clear rounds in Masters Agility, Biathlon Agility will count towards level progression for Agility points.

Clear rounds in Masters Jumping, Biathlon Jumping will count towards level progression for Jumping points.

Qualifying rounds of both classes from the Games Challenge will count towards level progression for Games points.

UKI USA CUP CLASSES

Agility Biathlon

- Consists of a Jumping round and an Agility round with the results combined.
- Either round can be run first. Running order for second round will be in reverse order of first round results.
- Cumulative scoring: least faults wins with time as tie breaker only, in all aspects of the Biathlon.
- In the event of a tie for the Agility Biathlon Winner, the scores from the Agility round will determine the winner. If there is still a tie, the dogs will compete in a run-off on the last Biathlon course.
- Eliminations in first round will still progress to second round, with E's running random in the beginning of the RO for the second round.

Speedstakes Challenge

- Consists of 2 Speedstakes rounds with the results combined.
- Running order for Round 2 will be in reverse order of Round 1 result.
- Cumulative scoring: least faults wins with time as the tie breaker only.
- In the event of a tie for the Speedstakes Challenge, the scores from round 2 will determine the winner. If there is still a tie, the dogs will compete in a run-off on the round 2 course.
- Eliminations in Round 1 will still progress to Round 2 with E's running random in the beginning of the RO for the 2nd Round.

Games Challenge

- Running order for Gamblers will run in reverse order of Snooker results.
- Cumulative scoring: highest number of points wins with time as tie breaker only.

- Eliminations (dogs not stopping the timers by going over the finish jump) will score 0 points with SCT as the course time.
- Eliminations in Snooker will still progress to Gamblers with E's running random in the beginning of the RO for the 2nd Round.
- No shows in either round will score -1000 points.

Masters Series Heat – SEE PAGE 6 BELOW

Managing Conflicts for Handlers with Multiple Dogs

In the initial classes of each event a random draw will produce the running order. Handlers with more than one dog will have their running orders altered to achieve the following:

- A gap of 10 dogs (9 dogs between their runs) will be created by moving the first-drawn dog earlier in the running order. If this does not achieve a 10-dog gap then the second-drawn dog will be moved down in the running order.
- If there are not enough dogs in the class to achieve the 10-dog gap the biggest gap possible will be created. If this gap does not achieve the minimum 10 dog gap, then a break of 6 minutes will be given. The 6-minute countdown will start as the handler's first dog crosses the finish line; the handler must enter the ring with their second dog before the countdown is complete.
- Handlers with more than 2 dogs will have their dogs split using the 10-dog gap rule. If there are not enough dogs to achieve this, the dogs will be split evenly through the running order and the 6-minute rule will be adhered to. If a handler has dogs in different height divisions, and the 10 dog gap cannot be achieved, the 6 minutes will run through while the jump heights are being changed.

In seeded classes: A handler must notify the results office within 30 minutes of the results being posted of the previous class in that particular event if they wish to move their running order for the next round or given the 6 minute break. Failure to do so will mean they will be moved.

Masters Series Tournament Rules

The aim of Masters is to encourage more competitive running in UKI classes and improve the overall standard of top level agility. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level.

General Rules

Open to all UKI level dogs including Select heights. Separate competition for each height. Agility and Jumping rounds with results combined. Handlers must run in strict running orders, failure to do so will result in elimination. Either Agility or Jumping classes may run first. If a handler has 2 dogs entered within a jump height, they may move their first dog up so that there are as many dogs as possible between their dogs. If this is not possible, they will receive a 6-minute break. If a handler has more than 2 dogs within a jump height and the entry is not large enough for a sufficient gap in between all their dogs, the first of their dogs drawn will be allowed to run in between a jump height change, if a jump height change is available before their height. If it is not, the final decision will be made by the judge and show manager, taking into consideration fairness to the competitor and other entrants in the Masters Class. Day of Entries must run first within the running orders of the first class. The second class must run in reverse order of placing from first class. The dog must run in the height that he will compete at in the Masters Final. The same dog and handler must run both rounds. Only the handler who qualifies the dog through a Masters Heat, may run the dog in the Masters Final. Any extraordinary circumstances to be ruled by UKI.-

Scoring

Standard UK Agility Marking will apply. Faults converted into seconds. 5 faults = 5 seconds. Time faults treated the same as course faults. An elimination = 100 faults plus 60 second course time. An absent or NFC run = 1000 faults with a 60 second course time. Dogs with an absent or NFC run in either the Agility or Jumping will forfeit any Q's or awards gained in the other round; in other words, both rounds must be run for competition. Dogs with double elimination will not be placed. An E in the individual round will not be placed in that round. Dogs with the lowest score will be deemed the winner. In the event of a tie, the Agility result will be the deciding factor, followed by the jumping result. If a tie still remains, a runoff will be required. If there is a tie for the Individual class wins, a runoff will be required on that course to determine the winner and subsequent placings.

Final Qualification: 2 ways to qualify for the Final to be held at the UKI US Open:

A. Individual Winners (per height) of the Masters Agility or Masters Jumping class (even if an E is earned in the other round).	B. 1st & 2nd Overall (per height) (even if an E is earned in one of the rounds).
---	--

Prizes:

Of the Prize entry fee; \$5.00 is placed in heat prize fund. Each height has its own prize fund and will be divided as per Masters "Prize Money Guide". Prize fund is for overall winners only. \$1 from each entry fee will be split & placed in the Final prize fund and Team USA WAO fund. In the event there is not a monetary winner within a height, the prize money will be sent to UKI to go towards the Final prize fund.

UKI officials, after further investigation, may impose sanctions including suspension or expulsion from future events.

The following is a partial list of infractions on which the judge or trial officials will take action: Abuse of a dog on the grounds; actions that may have the appearance of abuse of a dog; wilful misconduct or interference with a competitor's right to show; any acts of poor sportsmanship; violation of procedural rules; compulsive, correctional training on the grounds; wilful misrepresentation on entry forms; wilful misrepresentation of animals; dog aggression; failure to exercise diligence in the control of the behavior of their dog including a dog clearly not under the control of the handler; concerns for the welfare of a dog or who is unfit for competing; intimidation and/or impolite confrontation of judges, event officials, event helpers, or other competitors; creating excessive delays as a failure to respect the authority of event officials.

behavior that is hateful towards race, color, religion, creed, national origin or ancestry, ethnicity, sex, and gender will not be tolerated. Any of these cases may warrant removal from all associated social media pages and even lead to expulsion of UKI events and even further expulsion of organization membership.

Refund and Entry Cancellation Policy

Entries will not be accepted, changed, or altered after the closing date or capping level has been reached except for the purpose of moving to a higher level. A full refund is available for any membership that is not older than 14 days from the date of account creation. A full refund is available before the closing date or capping level is met for any show. There will be no cost if refund money is to be left in your UKI account. If a refund is requested, a 5% administration fee for a credit card refund will be assessed, per transaction. After the closing date, a partial entry may be available for extraordinary circumstances, but this lies with the individual show management based on their own policies. Contact the show management for details, NOT UKI.

Payment of Entry fees

Payment of online entry fees and Instant Account Top up Fees (administration fee for online account payments) must be made directly to the UKI member account or directly to the trial before a competitor may compete. PLEASE BE AWARE – at the closing date of entries, if you are paying by check, your account balance under “My Account” will show as \$0.00 USD. A note will confirm that you are paying the trial directly. This enables you to enter and pay for other trials online. If you have a \$0.00 USD zero balance display on your UKI Home page, it does not constitute a cancelled entry. Only you are responsible to cancel your entry online by going back into the show you entered and clicking CANCEL MY ENTIRE ENTRY. UKI will not cancel any entries. If in doubt, you must check your entries from the My Entries link as well as reviewing your account transactions. If you have not cancelled your entry as above before the closing date, you are still responsible to pay the entry fee.

Additional administration charges may be imposed to a member’s account due to negligence that result in administration time to correct. Possible infractions, not limited to, are submitting incorrect trial entry information, including incorrect handler and dog number, creating duplicate membership or dog accounts and late payment fees.
