Day-Of Entries

If you / your dog are not yet registered with UKI, please apply for membership before arrival to the trial site: <https://ukagilityinternational.com/>, internet can be spotty! Please know your Handler ID, Dog ID and levels you want to enter. We will provide forms. Entry must be in by 8:30am and you must have exact amount for payment – either check or cash. You will create a scribe sheet and will be entered into the Run Order at the secretary's table. If you are new to UKI, be prepared to have your dog measured.

Measuring / Height Cards

Please ensure you understand the new criteria regarding dogs being measured, [UKI Rule Book Edition 10](#). If a dog is under 3 and newly registered, a temporary measure or proof of the dog's height must be done by the dog's 3rd trial. A permanent measure must be obtained by a UKI official measurer between 12-18 months after the dog's first/ temporary measure. Any registered dog that only has a temporary measure, must follow the above rule. If a newly registered dog is over 3, they must obtain a measure by an official UKI measurer by their 3rd trial and this measurement will be permanent. If you ask for a challenge measure when you have a permanent measure, you must state this when you are getting the dog measured so the correct protocol can be followed and you may not continue to challenge a measure when you have challenged it once.

You can check your dog's permanent measure status in your UKI online account—just look for an asterisk next to your dog's height category, which indicates that your dog has a permanent measurement. If your dog does not have an asterisk next to their height category then they need to be measured. We won't chase you down to be measured! However, the judge will have a sheet for recording dogs needing to be measured and we will turn this into UKI after the trial.
